

RINGGOLD HIGH SCHOOL FRESHMAN ON-LINE REGISTRATION 2019-2020 SCHOOL YEAR

On-line registration is **Feb. 20–Mar.4**. Students will not be able to make on-line changes after this date. RHS will host **Parent Night** in the RHS Theater at **6:30 pm February 21st** for a high school presentation and help with registration.

Below are required courses; students must select one from each category. Choose remaining classes from the Electives Chart (**students are expected to complete a pathway**). Students take a total of 8 classes each year.

Step 1: Login your Student/Parent Portal (<http://rhs.catoosa.k12.ga.us>). **If you have never used** Student Portal, your username is your student lunch number, and the password is your first initial, last initial, birth month, birth day, birth year (mmddyyyy). If you have problems with username/password, contact your school counselor.

Step 2: From the main portal page, click on the “Course Registration 19-20 option on the left of the screen.

Step 3: Request courses. Click the “**course search**” link. Courses can be searched by name or number. Both are available on this sheet and the RHS website. Enter a course that you want and click the “**go**” button. To add the course, click on the “**request**” button. To drop a course, click on the requested course then click on “**drop this request.**”

Step 4: Choose 8 courses. If you follow the steps correctly, the screen will read 16 out of 16 Requested Units. You are done. **Do not request “Alternates.”** They will be deleted. **RHS Administration reserves the right to make changes to course requests that are necessary to meet graduation requirements. RHS administration will remove courses from freshman student requests that are not on this registration form.**

CORE CLASSES – Select 1 from each category.

<u>English</u>	<u>Science</u>
<ul style="list-style-type: none"> • 9th Lit/Comp CP (regular course) • 9th Lit/Comp H (honors, summer reading required) 	<ul style="list-style-type: none"> • Env Science CP (regular course) • Phys Science H (honors course)
