# College Application Timeline

## ✓ **September**

- ✓ Your counselor plays a big role in helping you get into college, so keep her informed. Meet to talk about your college plans and review your transcript.
- ✓ Get started on your applications right away if you plan to apply through an early decision or early action program. Deadlines for early applications tend to fall in October or November.
- ✓ Start working on your college essays. Write essays that focus on your experiences and make you stand out from the crowd.

## ✓ **October**

- ✓ Ask your counselor, teachers, and coaches or employers for letters of recommendation. Give them plenty of time to meet your deadlines and make sure to provide them with stamped and addressed envelopes.
- ✓ Take SAT tests. Make sure your scores are sent to each of your colleges.
- ✓ If you are applying under an early decision or early action program, be sure to get all forms in as soon as possible. Applying online might be the right option for you.

## ✓ **November**

- ✓ Submit early decision and early action applications on time.
- ✓ Work hard at completing your college essays. Proofread them rigorously for mistakes.
- ✓ Follow up with your teachers to ensure that letters of recommendation are sent on time to meet your deadlines.
- ✓ Mail applications as early as possible for colleges with rolling deadlines (admissions decisions are made as applications are received).

## ✓ **December**

- ✓ Try to wrap up college applications before winter break. Make copies of each application before you send it.
- ✓ Early decision and early application responses arrive this month.

## ✓ **January**

- ✓ Early decision and early application responses arrive this month.
- ✓ Some colleges include your first-semester grades as part of your application folder. This is called the mid-year grade report. Have your counselor send your grades to colleges that require them.

## ✓ **February**

- ✓ Contact your colleges and confirm that all necessary application materials have been received.
- ✓ Don't get senioritis! Colleges want to see strong second half grades.  
<http://www.collegeboard.com/student/apply/the-application/8626.html>

## ✓ **March**

- ✓ Some admissions decisions arrive this month. Read everything you receive carefully, as some of it may require action on your part.

## ✓ **April**

- ✓ Most admissions decisions and financial aid award letters arrive this month. Read everything you receive carefully, as some of it may require action on your part.
- ✓ Make a final decision, and mail the enrollment form and deposit check to the school you select before May 1 (the enrollment deadline for most schools).
- ✓ Notify each of the schools to which you were accepted that you will not be attending in writing so that your spot can be freed up for another student.
- ✓ On the waiting list? Contact the admissions office and let them know of your continued interest in the college and update them on your spring semester grades and activities.

## ✓ **May**

- ✓ AP Exams are administered. Make sure your AP score report is sent to your college.
- ✓ Study hard for final exams. Most admissions offers are contingent on your final grades.
- ✓ Thank your counselor, teachers, coaches, and anyone else who wrote you recommendations or otherwise helped with your college applications.
