## Ringgold Primary School

### Title 1

Ringgold Primary School is a Title 1 school which means our school receives financial support from the federal Title 1 program. Title 1 allows our school to purchase extra materials, participate in school improvement, pays for additional teachers to provide intensive professional development, and helps our teachers stay updated on the best teaching practices.

The entire staff is highly qualified and that means the teachers and paraprofessionals have met state qualifications and certification requirements for the grade level/subject area they are teaching.

Ringgold Primary is dedicated to every student entering the school. The goal is to provide comprehensive and engaging academic challenges in a warm, safe and positive environment through partnerships between teachers, students, and parents.
