COUNSELOR'S CORNER

Welcome back RPS families! We want to thank everyone for making it a successful start to the new year! It is great to have the school filled with all the energy the new year brings.

The beginning of a new year can bring about some extra worry and anxiety. The changes, new expectations, and new friends are part of growing up, but can be stressful too. If you notice your student struggling with worry or anxiety, a good

resource is the book; "Wemberly Worried," by Kevin Henkes.

We are always available in the counselors office - you can call the school to speak with one of us or make an appointment. The number is #706-937-5437.

WONDERFUL WORDS

Media Center Minute:

I'm so excited to be back at school and have students in the library! Words are the building blocks of life and we want your child to begin building the best life they can image. This can happen by keeping books in their hands all year

long. September 7-14 is our Fall Book Fair week. This is one way to build your child's personal library while helping support our school library. We hope to see you at the library soon.

PHYSICAL EDUCATION

We are working on Listening and Following directions during our first two months of school. Students have been practicing personal space/ bubbles as we play different types of Freeze Tag games. Ask them which one is their favorite! Please remember your student needs to wear Tennis shoes on their day of PE in order to be able to participate and play games!

Thanks so much!

MUSICAL MELODIES

We are having fun in music class. We are learning about Quaver and the many types of beats. We are also learning how to handle and play our instruments with care. Music Maker auditions for 2nd graders will be next Wednesday during activity time. This is an extreme honor because we only have room for 38 students out of 2nd grade. Congratulation letters will be sent home on Friday, September 14th.

REGISTRAR'S REQUEST

The state of Georgia and the Catoosa County School District request various documents from a child's parent/ guardian for school enrollment. Parents please make sure all documents have been turned in, such as immunization form (3231) eye, ear, and dental form (3300) and all others. This will insure your child will not be dis-enrolled from RPS. Thank you, Teresa Jenkins

TRAFFIC, TRAFFIC, TRAFFIC, TRAFFIC!

Our traffic seems to be getting better as the year goes on. Here are a few reminders to help things run more smoothly!

- Parents do not get out of your cars in the morning! The people on duty will help get your little ones out.
- Please have them ready to get out of the car! Bookbag ready, seatbelt undone, hugs and kisses given, etc.
- Pull all the way up to the second

speed bump to unload in the morning.

- Have your child sit on the side of the car by the building for unloading.

Thanks for helping to make things run more smoothly!

NURSE'S NOTES

We are already seeing coughs and colds, fevers and tummy bugs here at RPS. Please remember these simple guidelines when deciding if your child is ready to return to school following an illness.

-Keep your child home until there is no fever without using fever reducing medicines for 24 hours and symptoms subside.

-For vomiting and/or diarrhea – keep your child home until he has not vomited or had any diarrhea for at least 24 hours.

If you have any questions at all about your child please do not hesitate to call the nurse.
