What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ✓ **Begin** with standards
- ✓ **Focus** on student learning
- ✓ **Respond** to school data
- ✓ **Define** everyone's responsibilities
- ✓ **Depend** on us to believe in it and use it!

Parents, students and teachers work together for success!

RPS Second Grade Teachers

The second grade teachers will work with students and their families to support student success.

- Provide a weekly newsletter/DOJO that includes the reading and math goals
- Provide parents with a list of books/texts to read with their children for at least 20 minutes per day

At Home

RPS parents joined staff to develop ideas about how families can support student success.

- Use the language arts/reading skills materials sent home and incorporate them into daily life.
- Look for the class newsletter and check out the school website.
- Use math and reading materials sent home by the teacher to work with my child on skills.

RPS Second Grade Students

Students decided upon the following ways to make connections between learning at home and school:

- Read for 20 minutes each night
- Use website links my teacher gave me to help me with math practice at home
- Write stories in my journal and read them to my family

When teachers, students and families work together, we CAN achieve our goal.

From Crayons to Careers

Jointly Developed

The parents, students and staff of Ringgold Primary School jointly developed this **Family-School Compact for Achievement**.

Parents help create the suggestions for home activities to support learning. Meetings are held each year to update this Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.
