# This Week in Third Grade

January 8,, 2018

As colder weather approaches, please make sure children are dressed appropriately for recess and bring a jacket/coat. We go outside unless it is under 40 degrees. Students who are not dressed appropriately or wear a jacket/coat will have to stay inside

New Severe Weather forms will be going home in Tuesday Folders. This will be how your child will go home on early dismissal days.

## IXL Lessons:

### Math:

3rd grade

Fractions- any lesson

### ELA:

3rd grade: Q.3, Q.4, Q.5

## Vocabulary Words:

**surface:** the surface of something is the outside of it.

**Amount:** the amount of something is how much of that thing there is.

**Astronomy:** Astronomy is the study of the stars and planets.

**Globe:** The globe is the world

**Solar System:** The solar system includes Earth and the planets that move around the sun.

**Support:** If you support someone or something, you provide what they need.
