TITLE I SCHOOL DESIGNATION

August 22, 2016

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority, or Focus Schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school—measuring how well the school is doing in preparing its students to be successful in college and/or a career.

Our CCRPI score is a 68.7 for the 2015 school year. It is important to note that this score is not graded like you might have been used to while you were back in school. It is additionally helpful to note this score is based on lagging data from the previous year on achievement. You can find out more info at <http://www.gadoe.org/CCRPI/>.

I am very proud to tell you that Tiger Creek has not been given a school designation this year, which means we are a Title I school that is continuing to provide a quality education to all of our students.

What is even better news—our current 4th grade students lead both Catoosa County and the State averages in Reading and Math. Our current 5th grade students lead both Catoosa County and the State in ELA, Science, and Math.

At Tiger Creek Elementary, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of TCE's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Carrie Webster, Parent Involvement Coordinator at 706-935-9890 or cwebster.tce@catoosa.k12.ga.us

Thank you for all that you do to support your child's education.

Sincerely,

David Beard, Principal
