Jointly Developed

The parents and staff of Tiger Creek Elementary School jointly developed this **Family- School Compact for Achievement**.

Parents helped create the suggestions for home activities to support learning. Meetings are held each year to update this Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to meet and exceed grade level standards.

Effective Compacts:

- ✓ **Begin** with standards,
- ✓ **Focus** on student learning,
- ✓ **Respond** to school data,
- ✓ **Define** everyone's responsibilities -- and
- ✓ **Depend** on us to believe in it and use it!

When teachers, students and families work together, we CAN achieve our goal:

*Every child, every day,
without exception.*

Goals for Student Learning

District Goal:

- To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 — 8.
- To improve the percentage of students graduating from high school.

School Goals:

- 3% Increase in Georgia Milestones ELA in grades 3rd —5th
- 3% Increase in Georgia Milestones Math in grades 3rd —5th
- 3% Increase in Georgia Milestones SCI & SS in grades 3rd —5th

Grade-Level Goals:

- In ELA our grade level will focus on learning grade level sight words and read grade level texts.
- In Math our grade level will focus on recognizing and naming numbers 0-30.

TCE Kindergarten Teachers

The Kindergarten teachers will work with students and their families to support learning. Here are some ways we will support student success:

- Send weekly sight words home for students to practice with parents/guardians.
- Send home weekly newsletters to inform parents of reading and math material along with any school information.

TCE Kindergarten Students

TCE students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school:

- Practice counting to 100.
- Read every night and practice sight words with a family member
- Finish my homework activities.

At Home

TCE parents joined staff to develop ideas about how families can support student success.

- Practice reading at home by reading daily with my child, working on sight words, or using IXL and other educational computer games at home.
- Attend Family and School Team Academic Nights and Parent Teacher Conferences.
- Practice Math Facts/Math Games at home.
