Revised: 8/30/2018

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- Begin with standards.
- Focus on student learning.
- Respond to school data.
- Define everyone's responsibilities.
- Depend on us to believe it and use it!

First Grade teachers will work with students and their families to support students' success in language arts and math. Some of our key connections with families will be:

- Send home weekly newsletters containing activities concentrating on decoding words and recognizing sight words.
- Send parents homework folders including sight word recognition, passage reading, and math fact practice.

First Grade Parent Goals:

WSE parents joined staff to develop ideas about how families can support students' success in language arts and math.

- Set aside a quiet place for my child to do homework and make sure my child completes their homework.
- Read together and discuss books at home daily.
- Stay in touch with my child's teacher through conferences, emails, notes and phone calls, etc, regarding ELA and math.
