

## Coffee High Alma Mater

Dear Coffee High in proud command,  
You stand so strong and sure.  
A symbol to a mighty land  
That Freedom shall endure.

And so with pride we, Trojans  
All now lift our voices high,  
To praise the great maroon and white  
Of our dear Coffee High.

Dear Alma Mater in our hearts,  
We often recall  
The friends we made and times we had,  
Within your sheltering walls.

So as you ever more prevail  
Our hearts will swell with pride,  
For we have worked to make you strong  
Our own dear Coffee High!
