Student Success Tip

Coffee High School students have access to a large number of websites and online tools to help them be successful in their classes. These include USATestPrep, IXL, Commonlit.org, and Newsela. If you would like more information about these and other tools, please contact your student's teachers.

Remember that teachers can be reached easily via email!

Attention, Seniors and Senior Parents!

Be on the lookout for information regarding graduation. You will be receiving it soon. We are nearing the final days of your senior year!

We are still getting used to our new look, so we know parents and students are, too. When you visit us at CHS, be aware that the door to the left allows entrance to the main office. If your student needs to sign in or you need to pick up your student for an appointment or other early dismissal, the attendance window is to the far left. (See the image to the left.)
