**Title I Information**

Cook Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

**School Plan for Shared Student Achievement**

**What is it?** This is a plan that describes how Cook Elementary will provide opportunities to improve parent engagement to support student learning. Cook Elementary values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Cook Elementary supports parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

**How is it developed?** Cook Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and with students to ask parents for their suggestions on the plan and the use of funds for parent involvement.

**Who is it for?** All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Cook Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

**Where is it available?** At the beginning of the year the plan is given to all students. Parents can also retrieve a copy of the plan from the secretary at the school or on the school website.

- That parents play an integral role in assisting their child’s learning;
- That parents are encouraged to be actively involved in their child’s education at school;
- That parents are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- The carrying out of other activities as described in this plan.

### Parental Opportunities to Join the CES!

Cook Elementary will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and reach our school goals. We will –

- ✓ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, and posted on the school website and included in the monthly school newsletter for all parents.
- ✓ Partner with school counselors and faculty to share school information about parent engagement activities that will help prepare parents and their child for school transition.
- ✓ Share information in English and Spanish on the school website and through social media for parents to understand the school’s academic standards and assessments as well as the ways parents can monitor their child’s progress.
- ✓ Communicate with all families and the community on a regular basis regarding school-wide events and activities, such as phone messages, social media, and flyers.
- ✓ Provide necessary materials for parents at conferences to help parents work with their child to improve their child’s achievement.
- ✓ Listen and respond to parents’ requests for additional support for parental involvement activities.

Cook Elementary School is committed to helping our parents attend the parental activities listed in this plan. Please call if you need assistance with childcare and transportation in order to participate in our programs. Our Parent Coordinator is available to help as needed.
