March 16, 2017

Dear Davis Family,

One of our students, Sam Higdon, recently returned home from the hospital after a three week stay. In that time, he had his appendix removed, fought severe infections and battled pneumonia. His mother and father stayed by his side throughout. As you can imagine, the financial burden on their family has been a serious struggle. Hospital bills and missed work have created a situation that I believe we, their extended Davis family, can help with.

Please join me in making a donation to help them recover financially. You can send donations in with your child or drop them off in the front office. Let's show some love to the Higdon family and make this tough time a little easier. Please make checks payable to Linda Higdon as we will pass any donations directly to the family. In case there is any doubt, Linda is a trusted member of our school community and is wonderful lady who never misses a chance to support our school. Let's return the favor!

Sincerely,

James H. Fahrney, Jr.
