

Welcome!

2014 Bearcat Baseball Supporters

In our program we have a saying or motto that reads “The Next 200 Feet”. This motto simply means to forget about what you can’t see or you can’t control and focus solely on the goal in front of you. For the Bearcat Baseball Team that goal is the 2014 season. However, 2013 was such an exciting season that it cannot be just simply forgotten. The 2013 season brought great promise for the future of Bearcat Baseball as fans witnessed the Bearcats run through the Southwest Georgia Farm Credit Tournament undefeated as well as a season sweep of rivals Cairo & Thomas County Central. The 2013 season would also see four Bearcats head off to college as members of the Georgia, University of North Florida, Albany State and Tallahassee Community College baseball programs. With so many bright spots in 2013, it is easy to see how players and coaches are excited to face the challenges of a new season and embrace “The Next 200 Feet”. Each year, we have new opportunities and the growing expenses that go hand-in-hand with them. The Bainbridge High School Baseball Club is responsible for the majority of the funding for all parts of Bearcat Baseball. As funding for all athletics decreases, we are faced with either cutting parts of our program or finding creative ways to share in the costs of participating. We need your continued help to keep our program 100% up and running for the continued benefits of all players and their families. The Baseball Club is sponsoring three easy ways for families, friends and businesses to support the Bearcats for the 2014 season.

1. **ADVERTISING on our sign boards, in the game program and on the team website!**

If you have a business or know someone who owns or manages a business that would like to sponsor the Bearcats, we are selling advertisement space on our outfield signs, in our program, and on our team website.

2. **Become a supporter today!**

We are inviting all of our families and friends to become a 2014 Baseball Club supporter today! You don’t have to commit your time to evening meetings or volunteer for bake sales! By showing your support, you are recognized in our program and on our website as a supporter of Bearcat Baseball. The Baseball Club funds 100% of team events such as purchasing items for the end-of-season banquet, post season travels and other expenses incurred for regions playoffs, state playoffs and our quest to the state finals! **Pledge your support today!**

3. **2014 Fundraising Events**

This year the Bearcats will have four major fundraisers to go along with our sign sponsors and program ads. The first fundraiser on the agenda will be the 10th Annual King of Swing Golf Tournament. The tournament will be a four-man scramble and promises to be lots of fun and a great event. The second fundraiser of the year will be the annual Hit-A-Thon. Up third on the fundraising list will be team t-shirt sales. The Dugout club will conclude its fundraising with a chicken dinner. Plates will be made available for pickup in town.
