Decatur County Schools will participate in the Community Eligibility Option beginning this fall. CEO will allow all students to receive breakfast and lunch without payment.

#### Academic Accountability

Each school and school district are measured by how well students are progressing towards and meeting standards.

All students are required to make progress as measured by state tests (such as the CRCT/EOCT/State Writing Assessment in Georgia).

Distinctions are based on state assessments and graduation rate

The CCRPI (College and Career Readiness Performance Index) reports progress based on student achievement, student growth, and achievement gap closure. Schools are designated as Reward, Priority, Focus and Alert.

The District and each school have school wide improvement plans.
