

Building Partnerships

Annette Winn Elementary School provides many opportunities that parents can utilize to help their children succeed. The **Parent Resource Center** (PRC) offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library which is available at the center. The lending library provides parents with an opportunity to check-out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as math and science workshops, Homework Help and Test Taking Strategies. The AWES Newsletter is sent home and it includes more information on family engagement activities at our school. Our kindergarten – fourth grade classes will be conducting APTT (Academic Parent Teacher Team) meetings. During these meetings, teachers will present data and activities to help parents work with their children at home.

Communication about Student Learning

Annette Winn Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:

- Third grade teachers will utilize agendas as a daily communication tool.
- Parent-teacher conferences will be held twice per school year.
- Progress reports and report cards will be issued quarterly.
- Updates will be posted on the school and district websites.
- ParentLink, NotifyMe, and the ClassDojo messaging are also used.

What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Annette Winn Elementary School Parent Compact:

- Is linked to the goals on the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using high-quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom

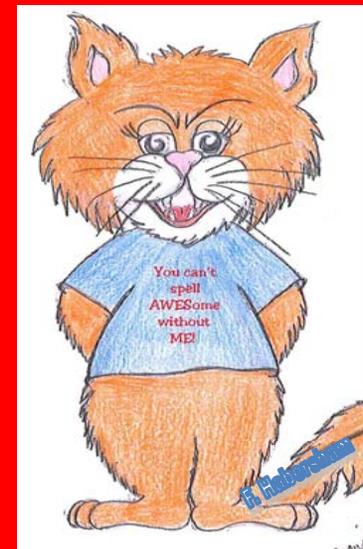

How is the School Parent Compact Developed?

Annette Winn Elementary School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office). For more information about the Compact or about submitting input, please contact the Instructional Lead Teacher at 770-651-3131 or our Parent Outreach Facilitator at Annette Winn Elementary School at (770) 651-3147.

TEACHERS, PARENTS, STUDENTS TOGETHER FOR SUCCESS

IN OUR THIRD GRADE CLASSROOM

The third grade teachers will work with students and their families to support student success in reading, writing and math. We will work with students and families in the following ways:

- ◆ Provide parents with the Eureka Parent Tips to assist with math content at home.
- ◆ Provide reading and fluency passages to the students to be used at home to enhance reading skills.
- ◆ Provide an opportunity for students to checkout books from the media center as well as provide the login for the online program MyOn for at home readings.
- ◆ Provide writing assignments weekly based on narratives, information, and opinion writing.

AT HOME

Annette Winn Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math. Some of our key at-home activities will be:

- ◆ Review the Parent Tips that are sent home to ensure that families and students are aware of the expectations in mathematics and the topics taught in each module.
- ◆ Use reading passages provided from the school to help enhance reading skills.
- ◆ Check for reading materials and establish a time for at least 20 minutes of reading at home.
- ◆ Read and review written responses to ensure that the assignments have been completed.

ANNETTE WINN ELEMENTARY SCHOOL STUDENTS

Annette Winn Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in reading and math. Students thought of the following ideas to make connections between learning at home and school:

- ◆ Complete the Eureka math assignments at home
- ◆ Engage in online reading or read the media center selection for at least 20 minutes each night.
- ◆ Complete all reading activities to enhance my reading comprehension and fluency.
- ◆ Complete the writing assigned in class and have a parent or guardian review it.

Do you have questions about your child's progress?
