

## Building Partnerships

Annette Winn Elementary School provides many opportunities that parents can utilize to help their children succeed. The **Parent Resource Center (PRC)** offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library which is available at the center. The lending library provides parents with an opportunity to check-out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as Math, and Science workshops, Homework Help and Test Taking Strategies. The AWES Newsletter is sent home and it includes more information on family engagement activities at our school. Our Kindergarten-fifth grade classes will be conducting APTT (Academic Parent Teacher Team) meetings. During these meetings, teachers will present data and activities to help parents work with their children at home.

## Communication about Student Learning

Annette Winn Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:

- Second grade teachers will utilize a second grade agenda as a daily communication tool.
- Parent-teacher conferences will be held at least once per school year
- Progress reports and report cards will be issued quarterly.
- Updates will be posted on the school and district websites and Class Dojo.
- ParentLink, NotifyMe, and Class Dojo are also used.

## What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Annette Winn Elementary School Parent Compact:

- Is linked to the goals on the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using high-quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom

## How is the School Parent Compact Developed?

Annette Winn Elementary School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office). For more information about the Compact or about submitting input, please contact the Instructional Lead Teacher at (770) 651-3131.
