

A Message From the New PTA President

Hello Bill Arp Patriot Families:

I would like to introduce myself to you as your new PTA President. My name is Paula Waddle and I have been a part of the Bill Arp Elementary School community for the past 2 years. I am retired and have four grown children, two of which are educators, and nine grand children. My youngest grandchild will be a second grader at Bill Arp next year. I started volunteering one day a week in my grand daughter's kindergarten class and when she went to first grade I volunteered two days a week in first grade, but for the love of kindergarten I still volunteered one day a week there. My family and I are delighted to be a part of such an awesome school. We have an excellent administration, terrific office staff, super cafeteria and custodial staff and the best teachers in Douglas County. Now all we need is you!!

This is Bill Arp's first year as a PTA and we have a dedicated PTA Board and Committee Chairs to make next year a great success for your students and your family. We feel sure you will enjoy the many events that we have planned for our children and the school.

We hope in the upcoming school year you choose to become a member of our PTA, which will also make you a member of the largest national advocacy organization for children that speaks on behalf of every child. Our children and our school benefit from the many PTA programs offered throughout the school year.

Have a great summer and I look forward to working side by side with you to better the Bill Arp Elementary School community.

Sincerely,

*Paula Waddle
BAES PTA President*
