

What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Burnett Elementary School Parent Compact:

- Is linked to the goals on the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using high-quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom

How is the School Parent Compact Developed?

Burnett Elementary School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office). For more information about the Compact or about submitting input, please contact the Instructional Lead Teacher at Burnett Elementary School at (770) 651-3533.

Building Partnerships

Burnett Elementary School provides many opportunities that parents can utilize to help their children succeed. The **Parent Resource Center (PRC)** offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library to check-out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as Math, Reading, Attendance, Homework Help and Test Taking Strategies. Tiger Talk and the Parent Post are two newsletters that are sent home that include more information on family engagement activities at our school. Parents are also invited to come to our school for Grade Level Informational Meetings, Parent Advisory Council, School Council Meetings, and other meetings that will be offered throughout the year.

Communication about Student Learning

Burnett Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:

- Teachers will utilize agendas as a daily communication tool.
- Grade level newsletters are sent home every Tuesday.
- Parent-teacher conferences will be held twice per school year.
- Progress reports and report cards will be issued quarterly.
- Updates will be posted on the teacher websites, school website and district website.
- ParentLink, Remind, Class Dojo, and NotifyMe are also used.

TEACHERS, PARENTS, STUDENTS TOGETHER FOR SUCCESS

IN OUR FIRST GRADE CLASSROOM

The First grade teachers will work with students and their families to support student success in math and literacy We will work with students and families in the following ways:

1. By providing parents with activities and/or ideas that can be done at home to help understand math concepts.
2. By providing parents with student created materials such as flash cards that focus on basic math facts and math vocabulary
3. By providing parents with websites to help with learning at home.
4. We will hold a math and literacy events which will concentrate on math and literacy concepts in First grade.
5. Provide parents with fluency passages and sight words for student practice.

AT HOME

Burnett Elementary School parents joined staff to develop ideas about how families can support students' success in math and literacy. Some of our key at-home activities will be:

1. To review the activities and/or ideas that are sent home to ensure that families and students are aware of the expectations in mathematics.
2. To interact with my child by using the materials that were made by my child. We will use the materials to explore math at home.
3. To provide opportunities for my child to use the web site that are provided by my child's teacher.
4. To try to attend the math and literacy events to get ways to better assist my child. If I can't attend, I will contact my child's teacher.
5. Practice fluency passages and sight words.

BURNETT ELEMENTARY SCHOOL STUDENTS

Burnett Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and literacy. Students thought of the following ideas to make connections between learning at home and school:

1. I will do the hands on activities provided by my teacher at home with my parent(s)/guardian(s) to ensure that I understand what will be covered during my math lesson.
2. I will review the materials that I created at school with my parent(s)/guardian(s) to ensure that I understand the concepts taught.
3. I will go to the web sites provided by my teacher and review the skills offered.
4. I will attend the Math and Literacy events. I will be an active participant in the activities that are conducted in the sessions.
5. I will read my fluency passages and study my sight words.

BUILDING PARTNERSHIPS

Parents may volunteer at Burnett, throughout the school year, in the following capacities: Room Parent volunteer, Media Center Book Fair volunteer, PAC, Black History Month volunteer, Field Day volunteer, and facilities improvement such as First United Methodist Church Closet Clean-up and many more. Parents may also schedule a visit to observe their child's class by contacting the front office to complete the required visitation documentation form.
