Failing a class may result in summer school, night school, or a delayed graduation. **HONORS/AP COURSE PLACEMENT:** I understand that my student has requested to enroll in Honors/AP course(s). These courses require more effort and work on behalf of the student. I also understand that once enrolled in this course, my student **MUST** complete the entire course(s). Furthermore, many courses require summer assignments (i.e., reading, visiting historical landmarks). It is the responsibility of the student to get these assignments and complete them.
