

ANNOUNCEMENTS

MAY 25, 2018

- Attention all upcoming 2018-2019 AP Literature students: Mrs. Leach needs you to pick up your required summer reading assignment packet in her room E-127 BEFORE the end of the day today. Please keep in mind, this counts as a significant grade within the course.
- Need something to do over the summer? The Panther Readers Club will be reading the fascinating tale *Midnight at the Electric* by Jodi Lynn Anderson over the summer and then discussing it when we return in August. Our first meeting of the year will be Wednesday, August 15th after school. See Mrs. Young in the media center or Mrs. Murphy's room G-118 for more information.
- This is a reminder to be sure and complete an Enrollment Form at the attendance office if you are planning on testing for your learner's or driving permit this summer. The form is good for the whole summer.
- This is just a reminder that any discipline referral that happens between now and the last day of school may have consequences that will carry on to the next school year. Make sure you choose your actions wisely. You would not want to start the year off suspended or in ISS.
- Those of you who are taking AP Chemistry next year, please see Mrs. Mathieson in room E-204 before you leave school for the summer.
