140-character statement that completes this sentence:

The most important reason to care about e-waste is...

Each year there are 20 to 50 million tons of e-waste discarded in the world. E-waste contains toxic materials, including heavy metals, that can easily seep into the ground and ultimately get into groundwater supplies. According to the EPA, recycling e-waste allows more than 100 million pounds of materials to be reused annually.

Helpful Info About Scholarships

There is no pot of money at the end of the rainbow. Researching & applying for scholarships takes a lot of time and effort on your part. Ms. Hoefer will help as much as possible but it is ultimately your responsibility to find and apply to scholarships. Listed are a few of the better websites but also check with your job, church, or clubs to see if they offer any.
