

Notice of Non-discrimination

The Douglas County School System offers career and technical education programs at Chapel Hill High School. These programs are designed to prepare youth for a broad range of employment and further education and are offered under the guidance of certified teachers. The following is a list of programs being offered this year and the criteria for admission.

<u>Programs</u>	<u>Criteria for Admission</u>	<u>Students Must</u>
<ul style="list-style-type: none">• Architecture & Construction• Business Management & Administration• Education and Training• Health Science• Marketing• Human Services• NJROTC	<p>The criteria for admission into CTAE courses is determined by space available for all students that sign up for an introductory level course and the amount of space in a student's schedule. All upper level courses must have the correct pre-requisite course completed prior to admission to the class.</p>	<p>The Career, Technical and Agricultural Education courses are responsible for career and leadership development of high school students. Students must be willing to work collaboratively with others and have a desire to learn.</p>

All career and technical education programs follow the system's policies of nondiscrimination on the basis of race, color, religion, national origin, sex, age, and disability in all programs, services, activities, and employment. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation.
