

# How Much Could You SAVE??

Purpose: This assignment is designed to help students explore the benefit of passing the AP Psychology exam.

Directions:

1. Select three (3) colleges and universities that you are interested in attending.
2. Locate the score required on the AP exam to receive full college credit for the course at each college or university.
3. Locate the tuition cost per course for each college or university and list the savings received from passing the AP Psychology course. Please print this information and make sure you use the correct tuition pricing.
4. Make a pennant for each university listing the name of the college or university, the score required on the AP exam to receive full credit, and the amount of tuition that will be saved by passing the exam.
5. Please use your own creativity when creating your pennants all information should be listed on the front of the pennant.
6. Each pennant is due your first day of class.

Rubric

	0-4	5-10	11-11
Name of college or university listed	Is not legible	Legible	Use of school logo
AP score required	No score listed	Score is not noticeable	Score is creative and clearly recognizable
