

CLASS PACKS

BY APPERSON

Purchase Eastside Back to School Supplies Online!
Save the hassle of going to the store. Get your back to school supply shopping done early this year, and help support your school!

Parents,

Next year's school supplies are now available for convenient online ordering!

Eastside is participating in a school supply drive fundraiser. We will receive 5% rebate back on all supplies ordered online through the Class Packs by Apperson fundraising program. We will use the proceeds to purchase needed school supplies throughout the year.

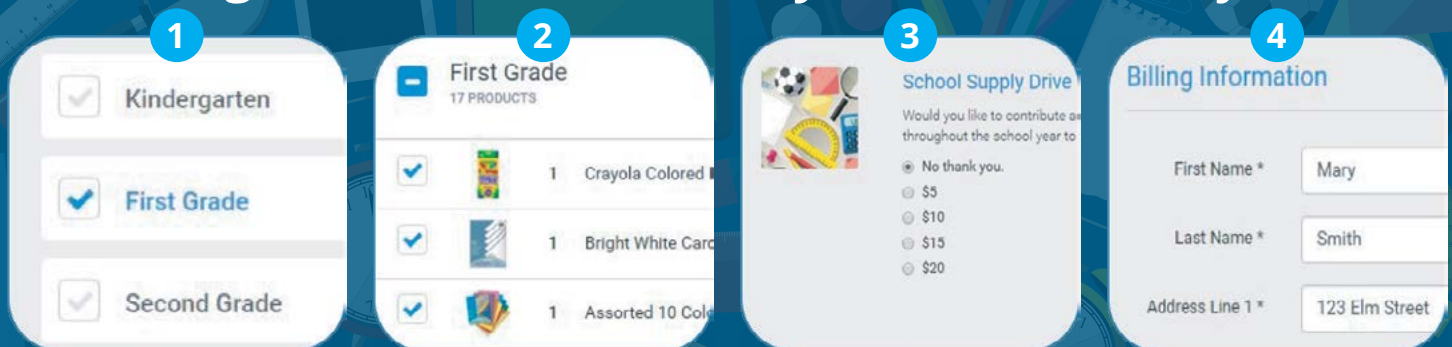

Place your order now and avoid searching for school supplies later this summer. Online ordering and the fundraiser end on **June 30th**, so mark this date on your calendar if you would like to participate. If you do not wish to participate you may also print the supply list and shop locally. Your order will be delivered to school and ready for pick-up during Sneak-a-Peek on August 3, 2017.

Simply go to the school website and click on the [2017/2018 school supplies link](#) to learn more and see how easy it is to participate. Or, go directly to:

<https://schoolclasspacks.com/#/school/eastside>

You must order by June 30th to participate and access to convenient online ordering is available NOW!

Ordering a Class Pack is as easy as 1,2,3 and 4, of course!
