Your child has received and acknowledged by signature a thorough review of the Douglas County School System Student Handbook and the Handbook of their home school.

You may access the DCSS handbook at the following link: www.douglas.k12.ga.us Look to the left side and under quick references click on Student Handbooks. You may now choose the level of handbook you need – Elementary, Middle, or High. This is the County Level Section.

Please visit our school's website for our handbook. That specific handbook will be available under the schools' link at www.douglas.k12.ga.us.

If you do not have access to a computer at home, work, or the public library, we can provide opportunities at our school for you to review the handbook online or as a printed document. The Parent/Student Handbook contains valuable information for you and your student to ensure success in the school environment. This success is dependent upon mutual respect and clear understanding of rights and responsibilities. Please read carefully each statement below and sign on the appropriate lines to indicate your wishes.

I have received information on how to access the Parent/Student Handbook including the student code of conduct and drug-testing policy for high school students. I understand that my child is responsible for all of the policies and procedures contained in the handbook.

I acknowledge that all clubs and organizations with related information are listed in the handbook and have been made available for me to review. I understand that any new clubs or organizations formed during the school year will be required to send home information and I must grant permission for my child to participate. I understand that if I wish to “opt-out” my child from participation I may do so by listing the club or organization that I do not grant permission for my child to participate in on this page.

In addition, I understand that if my child chooses to participate in sports, school clubs and activities, or other selected activities at the high school level, they are subject to random drug testing as outlined in the handbook.
