Dear Parents,

We are very excited about beginning a new school year. Our teachers and other staff members have planned many wonderful learning experiences for our students.

We are committed to continually seeking to improve instruction for our students. We hope that as a parent, you will become involved in our school improvement initiatives as we continue to monitor student achievement and set high expectations. We encourage you to get to know your child's teacher and the class routines and expectations. We are proud of the professional credentials of our teaching staff and will furnish to you, upon written request, the professional qualifications of any of your student's classroom teachers. This includes information concerning the grade levels and subject areas in which the teacher is certified, the major fields and degrees held by the teacher, and the qualifications of any paraprofessional who provides services to your child.

Thank you for your interest in your child's education.

Sincerely,

William Marchant
