Infinite Campus Parent Portal

Infinite Campus Parent Portal:

<https://campus.douglas.k12.ga.us/campus/portal/douglas.jsp>

You will need your student's 6 digit lunch number. This is the same as the student ID that prints on their schedule. You will also need their Social Security Number and birthdate. If you did not provide your student's Social Security Number to the school, you will need to show ID at the school to receive the activation key.

The screenshot shows the Infinite Campus Parent Portal login page. At the top left is the Infinite Campus logo with the tagline "Transforming K12 Education®". To the right, it says "Campus Portal" and "Douglas County". Below this is a login form with fields for "Username" and "Password", and a "Sign In >>" button. There are links for "Problems logging in?", "If you have been assigned a Campus Portal Activation Key, click here", and "If you do not have an Activation Key, click here". A "Tell me more!" link is also present. Below the login form is a "District Announcements" section with a date "2017-08-21" and a link "To obtain an activation key, please Click Here". A text box on the right side of the page contains instructions: "If you already have an Activation Key, click here. Follow the prompts to create an account." and "To obtain an activation key, click here. Follow the prompts to create an account. You need your student's SSN, DOB, and 6 Digit Student #." Two arrows point from this text box to the "click here" links in the login form and the "To obtain an activation key" link in the announcements section. At the bottom of the page, there is contact information for the Parent Portal Help Desk for Douglas County School System in Georgia, including an email address and a phone number.

Once you reach the Activation Key, make sure you write it down.

You will need to enter it on the activation key on another screen.

**If you are having trouble obtaining the Activation Key,
then you will need to show ID at the school to receive the key.**
