A.P. Students,

Welcome to A.P.U.S.H. You have been selected to be a part of a prestigious group that has accepted the challenge! It is an honor to embark on this journey with you for the upcoming school year. **This class will involve a great deal of time outside of class on your part. There will be material that you will be responsible to "get" on your own from time to time. We will be covering a great deal of information over the next year at an accelerated and rigorous pace. If you have any questions, feel free to email me.**
