Hello, Sweetwater Elementary Parent/Guardian!

Sweetwater Elementary is a Title I school, and as the parent/guardian of a child attending a Title I school you are an important part of the Title I team. Your input is vital in the planning and implementation of the parent involvement program and activities in our school. The focus of all Title I programs is to help eligible students meet the same high academic achievement standards expected of all children, regardless of their socioeconomic status and background. The following survey is confidential and will be used to assist us with future planning for parental involvement activities at our school. We appreciate your feedback and thank you for taking the time to complete this survey.

There are two options for completing the survey - ***please choose only one option***. The two options include:

1. Paper survey: please return to your child's teacher or to the Parent Resource Center by **Friday, March 17**.
2. Online option: scan the QR code at the bottom of this page with your smart phone or go to the following website (please note this address is case sensitive). Complete by **Friday, March 17**.
