What is Title I?

Sweetwater Elementary is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

School Plan for Shared Student Achievement

What is it? This is a plan that describes how Sweetwater Elementary will provide opportunities to improve parent engagement to support student learning. Sweetwater Elementary values the contributions and involvement of parents and families in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Sweetwater Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed? Sweetwater Elementary School invited all parents to attend our Parent Input meetings to review and revise this parental involvement policy, as well as the schoolwide plan, our school-parent compact and the parental involvement budget. The plan is posted on our school Web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by paper to ask parents for their suggestions on the plan and the use of funds for parental involvement. Parents may also express their suggestions and opinions by using the comment cards which are available in the front office, in the Parent Resource Center, and at all parent meetings and workshops.

Who is it for? All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Sweetwater Elementary will provide full opportunity for the participation of families with limited English, families with disabilities and families of migratory children.

Where is it available? The plan is posted in the Title I section of the school website. It is also sent home with all students at the beginning of the school year along with the Douglas County School District Parent Involvement Plan and the School-Parent Compact. Parents can also retrieve a copy of the plan in the Parent Resource Center.

Parents are required to read and sign the compact for each of their children at SWES. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers throughout the school year and during Parent Advisory Council meetings. The school-parent compacts will also be reviewed during parent-teacher conferences.

- families play an integral role in assisting their child's learning;
- families are encouraged to be actively involved in their child's education at school;
- families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- other activities described in this plan should be carried out.

Sweetwater Elementary is committed to helping our families attend the activities listed in this plan and may be able to help those who need assistance to participate in our programs.
