FROM: GaDOE C&I: GaDOE-GPB Launch Georgia Home Classroom

Faced with an unprecedented scenario, Georgia's districts, schools, teachers, and families are finding creative ways to stay connected with students through distance and virtual learning.

GaDOE's Curriculum and Instruction team and Georgia Public Broadcasting (GPB) Education Division have partnered to launch the **Georgia Home Classroom** initiative, which includes instructional TV broadcasts aligned to Georgia's state standards, along with a library of digital learning resources. [Click here to access the digital resources along with the TV broadcast schedule.](#)

GaDOE has also curated extensive training opportunities and resources for educators, including free online courses for teachers new to virtual learning and instructional resources organized by content area. [Click here to access resources.](#) Please help us spread the word.
