BIRTH CERTIFICATE

All students entering school for the first time in Kindergarten or First Grade must present an official copy of his/her birth certificate at the time of registration. Children must be 5 years old on or before September 1st to enroll in the Kindergarten program. Children must be six years old on or before September 1st to participate in the First Grade program.

IMMUNIZATION POLICY

All students enrolling in a Georgia school must have an official Georgia Department of Human Resources Certificate of Immunization. This certificate may be secured from a local physician or the Fannin County Health Department. All students enrolling in Kindergarten will be required to show proof of immunization for Hepatitis B. This immunization is a 3-shot series and takes 4 months to complete. (Form 3231)

HEARING, VISION, DENTAL RECORDS

All students entering school for the first time must present a certificate of hearing, vision, and dental examination by the Fannin County Health Department, a physician and/or a dentist licensed by the State of Georgia. This certificate is available from local physicians or the county health department. (Form 3300)

SOCIAL SECURITY NUMBER

At the time of initial enrollment, a Social Security number will be requested for each student. Social Security numbers are not required for enrollment. No student will be denied enrollment for declining to provide his or her Social Security number.

PROOF OF RESIDENCE

School officials require that the parent or guardian provide proof of Georgia residency at the time a student is initially enrolled in a Fannin County school. The acceptable items to provide such proof are: settlement/closing papers on a house **OR** current lease agreement **AND** a current utility bill (gas, power, or water). Note that the two items of proof **MUST** show the "911" address (actual physical location). Post Office box addresses cannot be used as proof of residence.

MOVING OUT OF FANNIN COUNTY OR THE EAST FANNIN SCHOOL DISTRICT

If a student moves during the school year, the school should be notified before the move. All school books and library books must be returned and all charges paid. The office will prepare the withdrawal sheet and student record for transfer to your child's next school. Students must attend the school that they are zoned for unless the parent has elected to go through the school lottery process. If a student moves into another elementary school's district, the student may finish the current semester at EFES, but after that the child must enroll in the new school.

ATTENDANCE

ATTENDANCE POLICY

Regular school attendance is required by Georgia law (20-2-690-1) for all children between the ages of 6 and 16.

- Regular attendance means actual attendance of a pupil during the entire day of school.
- Schools are required to report high frequency of absences (unexcused or unverified) to authorities.
- All attendance issues without written documentation are considered unverified and unexcused.
- Parents/guardians receive the "Fannin County Attendance Protocol" annually. More information regarding attendance can be found there.

TARDINESS

- Students who are late to school miss the instructions for the first lesson and sometimes have difficulty completing it. Tardy students also interrupt instruction when they enter the classroom.
- Please be prompt. Students must be in their classrooms by 8:00 AM to be counted present and on time.
- Students who are tardy need to check in at the office before reporting to class. Parents must submit a written excuse.

STUDENT SIGN-OUT- (EARLY DISMISSAL)

- To take a student away from school before the end of the school day, the parent/guardian must come to the office and sign out the student. Parents must submit a written excuse.
- Although occasional early checkouts may be necessary, parent/guardians are encouraged to not pick up students early unless they are sick or have a doctor's appointment.

ABSENCES

- Any absence from school is detrimental to learning. Therefore a concerted effort should be made to have children present for the entire school day.
- Excused absences include: medical appointments, personal illness, death in the immediate family, certain religious holidays, and other absences deemed appropriate by the principal. All other absences, tardies, and early dismissals are classified as unexcused.
- The child's parent/guardian must send a written excuse within three days explaining the child's absence. The County Student Attendance Team contacts parents/guardians whose students have excessive absences. Ten unexcused absences will result in a referral to the Juvenile court for truancy. There are no exceptions; this is state law.

HOMEWORK WHEN ABSENT

- When your child is absent from school for several days consecutively, please call the school office for his/her make up assignments. The homeroom teacher will be notified and their missing work will be assembled into a packet that may be picked up at the office or sent home with a sibling if requested.

HOMEBOUND INSTRUCTION PROGRAM GUIDELINES

Purpose:

The purpose of hospital/homebound instruction is to provide an educational program for students who are unable to attend school due to a serious health or orthopedic impairment where the student will be absent for a minimum of ten (10) consecutive school days.

Eligibility:

Any school-age child enrolled in a Fannin County school is eligible for homebound instruction provided the following conditions are met:

1. A licensed physician signs the medical form stating that the student is unable to attend school because of a physical condition, but will benefit from instruction.
2. The student is expected to be absent from school due to the medical condition for at least two weeks after being certified by a physician for home instruction.
3. The student has no contagious disease, which would endanger the health of the teacher or for which contagious disease precautions (e.g., quarantine) have been taken.
4. If the student is confined to a hospital and the above conditions are met, instruction will be provided in the hospital and will be continued when the student goes home if needed.
5. Student must obtain homebound request form from the school.

Program:

- The homebound teacher in collaboration with the classroom teacher(s) will develop the instructional program for the homebound or hospitalized student.
- The homebound teacher will evaluate the student's progress and provide grades for the term of home or hospital instruction to the school administrator.
- The student on homebound may not be employed.
- Attendance at homebound services will be reported to the Attendance Office. The homebound teacher must be notified if the student must be absent.
- Parent/Legal guardian must be present during homebound instruction.
- Parent/Legal guardian will give sufficient notice to the homebound teacher if student is unable to meet for scheduled instruction. Homebound may be discontinued after two (2) canceled sessions or "no shows", unless sufficient excuse is provided.

TRANSPORTATION**DROPPING-OFF YOUR CHILD**

STUDENTS MAY NOT, UNDER ANY CIRCUMSTANCE, BE DROPPED OFF IN FRONT OF THE SCHOOL BETWEEN 7:35 AND 8:00 A.M. Beginning at 7:35 all students must be dropped off at parent pick up, which is on the side of the school. The front parking lot is reserved for parents who park and accompany their child into the school. **Students are not allowed in the front parking lot unless they are accompanied by a parent.**

PICKING-UP YOUR CHILD

K – 2nd 2:45 – 3:15

Use the lower entrance below the baseball field, and pick up your child at the side entrance.

3rd – 5th 3:15 – 3:30

Students will be moved to the front entrance when buses arrive at 3:15. Use the main entrance since the lower entrance will be blocked by the buses. All students must be picked up by 3:30 p.m. unless approved by the Principal.

SCHOOL BOARD BUS POLICY (BUS CONDUCT)

While the law requires the school district to furnish transportation, it does not relieve parents from the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day. Once a student boards the bus – and only at that time – does he/she become the responsibility of the school district. In view of the fact that a bus is an extension of the classroom, the board shall require students to conduct themselves on the bus in a manner consistent with established standards for classroom behavior.

When a student does not conduct himself/herself properly on a bus, the bus driver of that school will bring the incident to the attention of the building principal. The building principal will inform the parents immediately of the misconduct and request their cooperation in correcting the student's behavior. A student can be suspended or expelled from school for misbehaving on the bus.

A student who becomes a serious disciplinary problem on the bus may have his/her riding privileges suspended or revoked. In such cases the parents of the student involved become responsible for seeing that their child gets to and from school safely.

THE FANNIN COUNTY BOARD OF EDUCATION ADOPTED THE FOLLOWING RULES FOR RIDING THE SCHOOL BUS:

1. Stand off roadway while awaiting the bus.

2. Keep your seat at all times when the bus is moving.
3. Keep your arms and head inside the bus.
4. Walk ten feet in front of bus. Wait for driver's signal before crossing road.
5. Unnecessary conversations with driver are dangerous. Please remain quiet.
6. Outside of ordinary conversations, classroom conduct is to be observed.
7. Absolute silence is required at all railroad crossings.
8. The driver is in full charge of the bus and students. Students must obey the driver.
9. The driver has the right to assign students to certain seats if necessary to promote order on the bus.
10. Students are not to leave the bus at any place along the route except for necessary bus transfers unless he/she presents a written request by his/her parents that has been approved by the principal.
11. Students are not to use tobacco in any form on the bus.
12. Students must be on time; the bus cannot wait for those who are tardy.
13. Riding the bus is a privilege.

MEDICAL

SCHOOL NURSE

East Fannin is very fortunate to have the services of a fulltime School Nurse.

ILLNESS or ACCIDENT AT SCHOOL

- If a child becomes ill during the school day and needs to go home, the school will notify the parent/guardian.
- Should the child need emergency medical attention, an effort will be made to contact the parent. If this is not possible, the child's welfare will determine the most appropriate action, which may include emergency services personnel being called and transporting the child in an ambulance.
- If the parent/guardian cannot be contacted during an emergency, the other person(s) listed by the parent/guardian on the health form will be contacted.

MEDICATIONS

Medicine brought to school to take during the day must be brought to the office. It must be in its prescription container or original non-prescription container and must be clearly labeled with student's name and dosage. All medications are kept in the school clinic, and are dispensed only by the Nurse or designated school staff. **Transporting medication on the school bus is NOT permitted.**

Parents should contact the school nurse for information about how medications are given on long-term and short-term basis.

This insurance covers accidents that might happen at school or while going to or from school. 24-hour coverage is also available.

NUTRITION

WELLNESS POLICY

The Board of Education recognizes that student wellness and proper nutrition are related to students' well-being, growth, development, and readiness to learn. The Board is committed to providing a school environment that promotes and protects student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices.

To the extent practicable, all schools in the district participate in available federal school meal programs. All foods and beverages made available on campus during the school day shall be consistent with the requirements of federal and state law. Guidelines for reimbursable school meals shall not be less restrictive than regulations and guidance issued by the U.S. Secretary pursuant to the Child

Nutrition Act and the Richard B. Russell National School Lunch Act, as those regulations and guidance apply to schools. School food service staff at the school or district level shall monitor compliance with nutrition guidelines within school food service areas.

It is the intent of the Board that the district shall teach, encourage and support healthy eating by students. Schools shall provide nutrition education consistent with federal and state requirements and engage in nutrition promotion aimed at improving student health.

All students in grades K-12 shall have opportunities, support and encouragement to be physically active on a regular basis. The district will provide physical education consistent with federal and state requirements and engage in promotion of physical activities aimed at improving student health. All students at EFES have 30 minutes of recess daily and retaken outside to play, as long as weather conditions are favorable. Outside recess is cancelled if the air temperature is below 40° or if there is a heat index about 90°. Additionally, if there is a weather watch or warning in effect, outdoor activities, including recess, are cancelled.

CAFETERIA STAFF

- Professional cooks working in cooperation with a registered dietician prepare school meals. Our Nutrition employees are certified and are required to take continuing education classes each year. They have also completed the National Restaurant Association's Serv-Safe course.
- We are committed to serving quality, nutritious meals, and to educating our students to help them develop healthy eating habits. Students are encouraged to take advantage of this service. It is our pleasure to serve your child. If the Nutrition staff can be of assistance, please feel free to contact us at 706-374-6418.

The office must sign this note before the child leaves school.

STUDENT PROGRESS

PARENT-TEACHER CONFERENCES

A conference with your child's teacher is your best means of learning how your child is performing in school.

- Parents may schedule a conference on Parent Conference Day or at other times simply by contacting the teacher. The teacher will set up a time convenient for both parties.

- Parents should sign the report card envelope and return it to the school promptly.
- Mid-term progress reports are also sent home half-way through each nine-week grading period.

- Kindergarten: The **Georgia Kindergarten Inventory of Developing Skills (GKIDS)** is administered throughout the school year to all Kindergarten students. The GKID assesses a student individually in five areas: communicative skills, logical-mathematical skills, physical skills, personal skills, and social skills. This assessment aids in determining readiness for first grade.
- Grades 1-2: Individual student growth from the beginning of the school year to the end of the school year will be evaluated using a locally developed assessment. Students in these grades do not take a state-mandated assessment, but teachers frequently evaluate a student's growth and performance on state standards.
- Grades 3-5: The **Milestones End of Grade Assessment (EOG)**, given in the spring, is designed to measure student acquisition of knowledge, concepts and skills set forth in the state curriculum. Milestones assessments cover the content areas of Reading, English/ Language Arts (writing), Mathematics, Social Studies, and Science. Student EOG results will be sent home to parents once those results are returned to the school.

PROMOTION AND RETENTION

Promotion or retention of students can sometimes be a difficult decision.

- Teachers and administrators will work with parents in the decision-making process to determine what is best for each individual student. A procedure is in place to evaluate and make recommendations for those students who do not pass the required EOG. This policy can be reviewed in its entirety by contacting the school office.
- In addition, Fannin County has adopted a Promotion/Retention Policy as required by State of Georgia legislation.

ACADEMIC PLACEMENT:

RESPONSE TO INTERVENTION – RTI

Response to Intervention (RTI) is a system of academic or behavioral intervention designed to provide early, effective assistance to children experiencing difficulties.

SPECIAL EDUCATION

Special education services are available for eligible students.

GIFTED EDUCATION PROGRAM

The Fannin County Board of Education recognizes the need to provide gifted education services to students who have the potential for exceptional academic achievement in Grades K – 12. The Gifted Education Program is designed to provide an enriching and challenging alternative to the regular curriculum program.

Students are referred for consideration for the gifted program by teachers, counselors, administrators, parents or guardians, peers, self, or other individuals with knowledge of the student's abilities. Identification and eventual placement decisions are made on a case-by-case basis. In order to qualify for placement, students must meet three of the four components established by the State Board of Education. These include: mental ability, achievement, creativity, and motivation. On the mental measure students in K-2 must score in the 99th percentile and students in grades 3-12 must score in the 96th percentile. If a student does not qualify for gifted placement, they cannot be tested again for two school years.

PARENT INVOLVEMENT

PARENT RESOURCE ROOM

The Parent Resource Center is located in the media center and has a wide range of books and materials available for parents to check out. These resources include materials that reinforce and teach reading and math skills. Parenting books and videos are also available. Parents may sign-up for an account in the media center and check out up to five items at a time.

Computers and iPads are available for parents to use for school related functions, such as checking parent portal, taking school related surveys or Accelerated Reader testing with their child.

PARENT TEACHER ORGANIZATION (PTO)

Our Parent/Teacher Organization (PTO) supports EFES and all parents are urged to become members. PTO projects provide funding to help make us a better school for all of our children.

Notes will be sent home announcing each upcoming PTO meeting.

PARENT ADVISORY GROUP (PAG)

The Parent Advisory Group serves as a sounding board for concerns, ideas and questions that shape the future of East Fannin Elementary School. PAG supports learning at East Fannin Elementary School and encourages parents to become involved and forms a partnership with a shared vision of where we can go together to offer the best possible education for our students.

- Parent volunteers should sign in and sign out in the "Volunteer Sign-In" book located outside the office
- Volunteers are always welcome at East Fannin Elementary School; however, for security purposes, all volunteers are required to enter through the front door and report to the office to sign in and receive a visitor's tag, which must be worn at all times in the building.
- Before leaving the building, all volunteers must return to the office, sign out, and return the visitor's tag. We must account for everyone in the building if an emergency situation arises, and failure to sign out may result in danger for those looking for someone who has already left the building.

MEDIA CENTER

The Media Center is open from 7:45 – 3:15 each day.

LIBRARY BOOKS

Library books are furnished to your child by the school system on a loan basis, and should be treated as borrowed property. Students must pay for the loss or abuse of library books. Kindergarten students may check out one book at a time. Students in grades 1-5 may check out two books at a time.

ACCELERATED READER (AR) PROGRAM

- The Accelerated Reader program combines technology and research to increase independent reading. The child first reads (or has read to him/her) a book from the Accelerated Reader book list. The child then takes a computerized test on the book, answering simple multiple-choice questions that check the child’s recall of basic facts and events in the book.
- After finishing the test, the child receives a point score based on the difficulty level of the book and the number of questions he/she answered correctly.
- The program keeps track of each student’s points/percent of goal, reading level, and test percentages. This is valuable information for teachers.
- A student’s points/goals may also serve as the basis for various rewards.
- Computers are available in the media center for parents to help students take AR tests.
- Open books are **NOT** allowed while a student is taking an AR test.
- Parents are not allowed to give students answers or hints while they are taking an AR test.
- The list of Accelerated Reader books is available in the East Fannin Media Center and on the East Fannin Elementary School web page (click on the *AR Book Finder* link on the right).

GUIDANCE PROGRAM

SCHOOL COUNSELOR

School personnel or parent/guardians may request the services of the Counselor to help children deal with personal, social, or behavioral problems.

- Conferences with the Counselor should be prearranged whenever possible.

STATE AND COUNTY DISCIPLINARY POLICIES

- The Georgia General Assembly has amended Code section 20-2-735 to require language be placed in the student code of conduct to “encourage parents and guardians to inform their children on the consequences, including potential criminal penalties, or underage sexual conduct and crimes for which a minor can be tried as an adult.”
- Fannin County School Board Policy:
 - A student shall not possess, sell, use, transmit, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicants of any kind while on school property or participating in any school activity. The use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful. Use of a drug authorized by a medical prescription from a registered physician shall not be considered a violation of this rule. All medication must be submitted to the Principal’s office upon arriving at school, otherwise, the student will be subject to receive discipline as described under the drug policy (this includes aspirin and cold medicine). Medicine must be in the prescribed container at school.
 - A student shall not possess, use, or transmit cigarettes of any kind on the school grounds.

FANNIN COUNTY CODE OF CONDUCT

The school's primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by policies, regulations and rules set forth in the Code of Conduct.

The Code of Conduct is effective during the following times and in the following places:

- At school or on school property at any time;
- Off school grounds at any school-related activity, function, or event and while traveling to and from such events;
- On school buses and at school bus stops.

Also, students may be disciplined for conduct off campus which could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

Parents are encouraged to become familiar with the Code of Conduct and to be supportive of it in their daily communication with their children and others in the community.

AUTHORITY OF THE PRINCIPAL

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly, or dangerous conduct not covered in this Code, the principal may undertake corrective measures which he or she believes to be in the best interest of the student and the school provided any such action does not violate school board policy or procedures.

AUTHORITY OF THE TEACHER

The superintendent fully supports the authority of principals and teachers in the school system to remove a student from the classroom pursuant to provisions of state law. Each teacher shall comply with the provisions of O.C.G.A. § 20-20-737 which requires the filing of a report by a teacher who has knowledge that a student has exhibited behavior that repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his or her class or with the ability of such student's classmates to learn, where such behavior is in violation of the student Code of Conduct. Such report shall be filed with the principal or designee on the school day or the following school day of the most recent occurrence of such behavior, shall not exceed one page, and shall describe the behavior. The principal or designee shall, within a reasonable amount of time, notify in writing the teacher and the student's parents or guardian of the discipline or student support services which has occurred as a result of the teacher's report. This written notification shall include information as to how the parents or guardian may contact the principal or designee.

MINDSET PROGRAM

FCSS has adopted the Mindset Program in order to facilitate insight, raise awareness, enhance skills and certify response teams in preventing and managing crisis or aggressive behavior. FCSS uses physical restraint only in circumstances where the student is harming themselves, harming others, or there is imminent danger. If a student has to be restrained under the preceding circumstances, a written report will be given to the parent/guardian within one school day.

DISCIPLINE

- Teachers have the authority and responsibility to maintain discipline in the classroom. School discipline policies will be consistently enforced.
- When misbehavior occurs, the teacher may...
 - Talk to the student or give the student a 'time-out' to reflect on making a better choice.
 - Use classroom disciplinary procedures.
 - Request a parent conference.
 - Place the child on a behavior contract.
 - Refer the situation directly to school administrators, in which case the parent will be notified.
- Any student who believes he or she is being harassed or intimidated by others while at school should report the situation to his or her teacher, the counselor, or a school administrator. If harassment is taking place on the school bus, the student should report the situation to the bus driver or a school administrator.
- Level 5 behaviors (e.g. weapons on school campus, terroristic threats, etc.) are subject to Fannin County school board policy.

PROGRESSIVE DISCIPLINE PROCEDURES

When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official will be in proportion to the severity of the behavior of a particular student and will take into account the student's discipline history, the age of the student, and other relevant factors such as placement in special education programs. Discipline for special education students will be dictated by the student's IEP and in accordance with due process.

The Code of Conduct provides a systematic process of behavioral corrections in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to teach students self-discipline and to help them substitute inappropriate behaviors with those that are consistent with the character traits from Georgia's Character Education Program.

The following disciplinary actions may be imposed for any violation of this Code of Conduct:

- Warning and/or Counseling with a School Administrator or Counselor
- Loss of Privileges
- Isolation or Time-out
- Temporary Removal from Class or Activity
- Notification of Parents
- Parent Conference
- Corporal Punishment
- Detention/Saturday School
- Temporary Placement in an Alternative Education Program
- Short-term Suspension
- Referral to a Tribunal for Long-term Suspension or Expulsion
- Suspension or Expulsion from the School Bus
- Referral to Law Enforcement or Juvenile Court Officials: Georgia Law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The school will refer any act of misconduct to law enforcement officials when school officials determine such referral to be necessary or appropriate.

The maximum punishments for an offense include long-term suspension or expulsion, including permanent expulsion; however these punishments will be determined only by a disciplinary tribunal as outlined in the Fannin County Board of Education policies.

Parents or students may elect not to contest whether a student has violated the Code of Conduct or the appropriate discipline, and in such cases, an agreement may be negotiated which would include the parents or students waiving a right to a hearing before a disciplinary tribunal. Such an agreement and waiver must be approved also by the disciplinary tribunal or hearing officer in accordance with local board policy.

Before a student is suspended for ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student's parents will be notified. School officials may involve law enforcement officials when evidence surrounding a situation necessitates their involvement or when there is a legal requirement that an incident be reported.

School officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Student vehicles brought on campus, student book bags, school lockers, desks, and other school property are subject to inspection and search by school authorities at any time without prior notice to students or parents. Students are required to cooperate if asked to open book bags, lockers, or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school or at any school function, including activities which occur outside normal school hours or off the school campus at the discretion of administrators.

BEHAVIORS WHICH WILL RESULT IN DISCIPLINARY PROCEDURES

The degree of discipline imposed will be in accordance with the progressive discipline process unless otherwise stated.

DISRUPTIVE PRESENCE

The Fannin County School District reserves the right to exclude a student's enrollment/attendance at a school due to any off-campus behavior which could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

If, through notification by legal authorities or other official/unofficial entities, a principal needs to make a determination regarding the application of this policy as it relates to a student's off-campus behavior, the principal will adhere to the following protocol:

- Contact the Director of Student Services who will work with the principal, the school resource officer, and the school board attorney in order to confirm whether or not charges are being filed against the student.
- Work with the Director of Student Services on the potential application of the Fannin County School System "Disruptive Presence" infraction code regarding the student's off-campus behavior.
- Communicate with the student's parents regarding (a) the current Georgia requirements regarding schools/school districts dealing with off-campus behaviors and (b) the application of local board policy as it pertains to their student.

STUDENT SUPPORT PROCESSES AND RESPONSE TO INTERVENTION

The Fannin County Board of Education provides a variety of resources which are available at every school within the district to help address student behavioral or academic difficulties. The school discipline process will include appropriate consideration of support processes to help students resolve such problems. These resources include Student Support Teams, school counselors, and chronic disciplinary student plans.

Requests for an impartial hearing must be in writing to the school system's section 504 coordinator, Mrs. Heather Finley; however, a grievant's failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests a hearing through the school system's section 504 coordinator. The school system's section 504 coordinator will assist the grievant in completing the request for a hearing. The school system's 504 coordinator can be reached at the central office, 706-632-3771. Copies of the 504 procedural safeguards and notice of rights of students and parents under section 504 may be found on the school system website or picked up at the central office or the school office.

BULLYING

BULLYING

The Fannin County Board of Education believes that all students can learn better in a safe school environment. Behavior that infringes on the safety of students will not be tolerated. Bullying, as the term is defined in Georgia law, of a student by another student is strictly prohibited. Bullying is defined in the definition section of the Student Code of Conduct. Teachers, school employees, students, parents, guardians, or other persons may report or otherwise provide information related to bullying activity. The information may be provided by contacting the school administration. If the person wishing to provide information desires to remain anonymous, that person may contact the school electronically or by using the United States mail. Concerns related to bullying can be reported to the State Department of Education Hotline 1-877-SAY-STOP.

PROTOCOL

School administration is responsible for following the protocol to meet requirements of the bullying law when bullying is reported or suspected.

1. Investigate

Upon receipt of any report of bullying, schools administration will conduct an immediate investigation involving appropriate personnel. The investigation should begin no later than the following school day. The investigation should include interviewing the alleged perpetrator(s) and victim(s), identified witness(es), teacher(s) and staff member(s) and reviewing video surveillance if available. School Resource Officers, school counselors, school social workers and/or other support staff should be utilized for their expertise as determined by the circumstances of the matter.

2. Notify

At an appropriate time during or after the investigation, parents/guardians of the accused **and** of the victim must be notified utilizing the approved Fannin County Schools notification letter. If the incident involves an injury or similar situation, appropriate medical attention should be provided and the parents/guardians should be notified immediately.

3. Discipline

Upon confirming that an incident of bullying has occurred, the accused student should be charged with bullying and given an age-appropriate consequence which shall include, at minimum and without limitation, disciplinary action or counseling as appropriate under the circumstances.

Students in grades six through twelve found to have committed the offense of bullying for the third time in a school year shall be assigned to an alternative school.

Schools should clearly communicate to all parties that retaliation following a report of bullying is strictly prohibited and may result in strong disciplinary action.

4. Follow Up

Follow up is important to the accused and the victim. Implement a planned method to provide after-care and follow up. Reiterate to all the previously stated prohibition on retaliation.

5. School Choice

A student who is the victim of bullying (as defined) might under the appropriate circumstances be the victim of a violent criminal offense. If this is the case the student shall be provided within ten (10) school days of the commission of the violent criminal offense, and to the extent possible, the right to transfer to a school that is making adequate yearly progress (AYP) and has not been identified as being on school improvement, corrective action, or restructuring. Since FCSS only has one middle school and high school, this will only apply to our elementary schools. A violent criminal offense is defined as aggravated battery, aggravated child molestation, aggravated sexual battery, aggravated sodomy, armed robbery, arson, kidnapping, murder, rape, and voluntary manslaughter either on campus or at a school-sanctioned event.
