**Parent and Family Engagement Budget Survey**  
**East Fannin Elementary School**  
**August 25, 2017**

Dear Parents and Family Members,

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parent and Family Engagement money. Over the last few weeks, our school has held various meetings with parents and family members to revise our school's Parent and Family Engagement policy for this school year. We hope you had a chance to participate in one of these meetings. In the meetings, we discussed the following:

1. Parents and family members stated that they would like to see the volunteer program continue to grow.
2. Parents and family members ask for resources on how to help their child at home.
3. Parents and family members requested more materials, supplies, etc. for the Parent Resource Center.

We have \$2234.00 in the Title I Parent and Family Engagement budget. We had \$2,306.00 in the Title I Parent and Family Engagement budget last year. We spent the money this way:

*The Fannin County School System does not discriminate on the basis of race, color, national origin, sex, age, religion, creed, or disability in admission to its programs, services, and activities, in access to them, in treatment of individuals, or in any aspect of their operations. For additional information or referral to the appropriate system coordinator, contact the system superintendent's office at 2290 East First Street, Blue Ridge, Georgia 30513 or 706-632-3771.*

This year, considering our parents feedback, we would like to spend the Title I Parent and Family Engagement budget in a similar manner.

Do you agree with how we have budgeted parent and family engagement funds for this school year?

Yes

No

If no, why not? \_\_\_\_\_

Do you have any other suggestions for the use of funds? These will be taken into consideration for this school year and future school years.
