School Plan for Shared Student Achievement

What is it?

This is a plan that describes how East Fannin Elementary will provide opportunities to improve parent engagement to support student learning. East Fannin Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that East Fannin Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

East Fannin Elementary School invited all parents to attend our School Governance Team meeting last spring to review and revise this parental involvement policy, as well as the schoolwide plan, our school-parent compact and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school Web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for parental involvement. Parents can also give feedback during parent meetings and activities throughout the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. East Fannin Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook that is given to all students. As a reminder, we will also send a copy of the plan home for parents in August. Additionally, the plan will be posted on the school Web site. Parents can also retrieve a copy of the plan in the Parent Resource Center.
