

GETTING YOUR LICENSE???

Before obtaining your learners/drivers license, there are a few steps you must take.

Certificate of Attendance – Required for Learners License and Drivers License

This is issued by the school and is free of charge. Students may request this in the main office or parents may call 706-632-2081. Please request the Certificate 48 hours in advance. Certificates are available to pick up on Tuesdays and Thursdays only. Please note: certificates are valid for 30 days only.

The ADAP card – Required for Drivers License Only

There are two ways to obtain an ADAP card: complete and pass a Health/Personal Fitness class at Fannin County High School or participate in and pass an Alcohol and Drug Awareness Program. For dates and locations of ADAP classes, visit www.dds.ga.gov. Class dates/times are also posted throughout the school. If you have passed Health/Personal Fitness at Fannin High please ask the main office for an ADAP card.

3. Relax! No need to be nervous. You will be driving soon!
