

Jan. 26, 2016

Dear Parents,

It is with great pleasure that we would like to share with you some awesome new resources that are now available for you to help your child at home. These new resources are housed in the school Media Center and can be checked out to you. They cover all grade levels and many Common Core Standards in Reading, Language Arts, Writing, Math, Social Studies and Science. You will find resources in the form of interactive games, kits, puzzles, flashcards, etc. A list of the items is attached. Please be mindful that there are small pieces and you will need to be aware of use with small children. Also, before returning, make sure that all pieces are included so that we will be able to enjoy and use these resources for many years to come. Stop by the Media Center and see what is available as we work together in your child's learning.

<b>READING / ELA</b>	<b>MATH</b>
