

Parent Information about Title I

What IS a Title I School?

A Title I school is a school that is supported through a federally funded program program that provides services based on the economic need of students in the community. In fact, it is the largest federal assistance program for our nation's schools. The goal of the program is to aid in providing support for high-quality education for every child. It helps our school provide extra help to all students, but most especially for students who need it the most.

What are our benefits?

FCMS uses Title I funds to reduce class sizes and provide additional academic support to support our school improvement plan (SIP). This has included additional math and reading courses, computer access and instruction, and other high and low-tech assistive technologies to aid in student success.

School Improvement and Parental Involvement Plans

Based on data from multiple sources and input from all school stakeholders--especially you!--FCMS develops plans to support students in areas of academic need and improving our home-school relationships. **To give input**, please contact our Title I coordinator, Erin Schyck at erin.schyck@franklin.k12.ga.us

Did you know that you can keep up -to-date on your student's progress in school through Infinite Campus? You can log-in online or use the app from your phone or tablet. Download the app or request log-in information by emailing portal@franklin.k12.ga.us
