Additional comments you would like to share regarding Ashworth Middle School.

- Reward students with good behavior all year more often. Many students that are well behaved don't get recognized. They are perfect examples of what students at Ashworth should act like.
- AMS is a wonderful school! The staff goes out of their way to welcome parents and keep them informed. It's an aspect that I wish every school in Gordon County had. I've had four children at AMS and loved every year. Keep up the good work, Warriors!
- I would like for my children to have a textbook to help them study at home. We need those resources to help our children learn or at least help them with what they are trying to learn. What's wrong with textbooks?
