

You are invited to a  
**MOTHER-DAUGHTER DINNER ON MARCH 14th**  
 (Any Female Caregiver/Relative Welcome)  
*A FREE event but reservations are required.*

**LET'S TALK...**

About preventing  
 Cancer.....

If there were a vaccine against cancer, wouldn't you get it for your kids?

HPV vaccine is cancer prevention. Talk to the doctor about vaccinating your 11-12 year old sons and daughters against HPV.

[www.cdc.gov/vaccines/teens](http://www.cdc.gov/vaccines/teens)

U.S. Department of Health and Human Services  
 Centers for Disease Control and Prevention

- *Free Dinner on Tuesday, March 14th*
- Mother or caregiver/daughter photos
- Goody bags
- Lots of resource information about female health and communication tips on talking about sexual health and cancer prevention
- Recommended for girls age 11+
- This is a **special event** to both celebrate and educate mothers or other female caregivers and daughters about taking care of their health. A local female physician will provide information about preventing cervical cancers and breast health. The presentation was developed by the American Cancer Society. Puberty topics and reproductive anatomy will be covered and there will be time for Q & A.
- Dinner will be served following the presentation to celebrate the new knowledge and communication about female health.

**DATE:** TUESDAY, March 14, 2017  
**TIME:** 5:30 - 7:30 pm  
**LOCATION:** The Depot in downtown Calhoun  
 109 South King Street  
 Catered dinner provided by Wall Street Catering
