21 responses

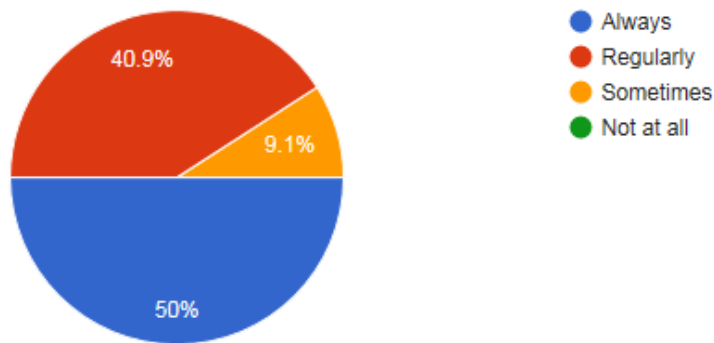

When is the best time for you to attend a school event for parents?

22 responses

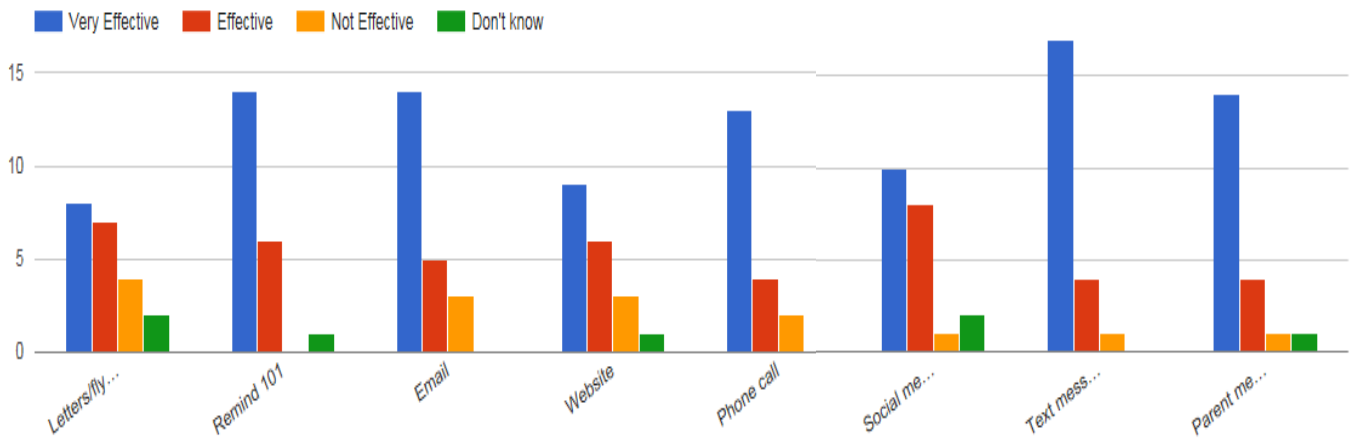

Overall, how much do you feel your child's school values parent input?

22 responses

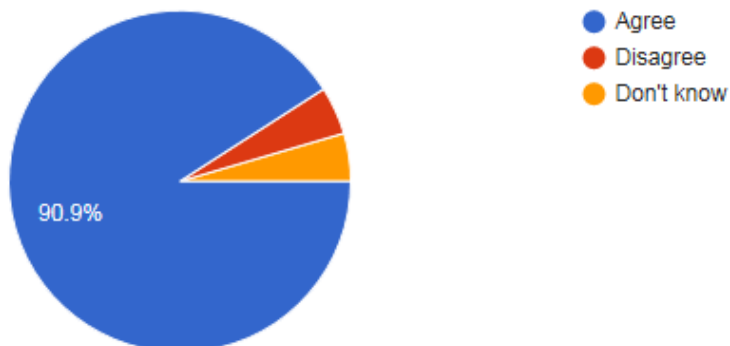

In your opinion, how effective are the following when it comes to the school communicating with you or your family?

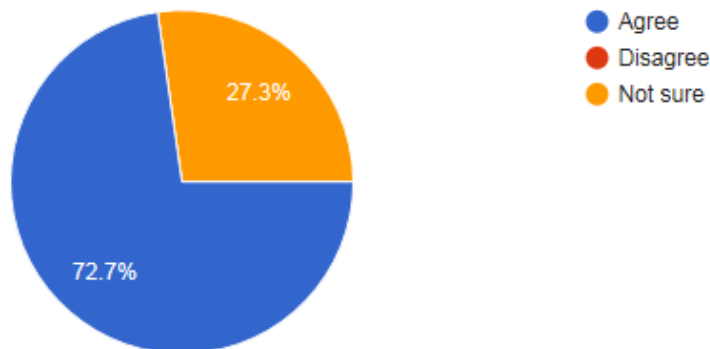

Teachers in our school are interested and cooperative when I discuss my child's academic progress and/or other concerns.

22 responses

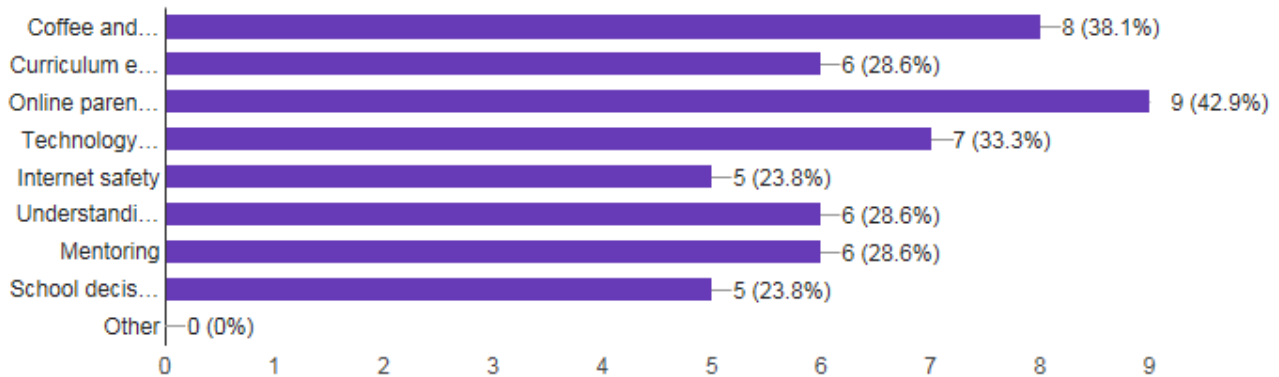

The school works with me to schedule parent meeting times to accommodate my work schedule.

22 responses

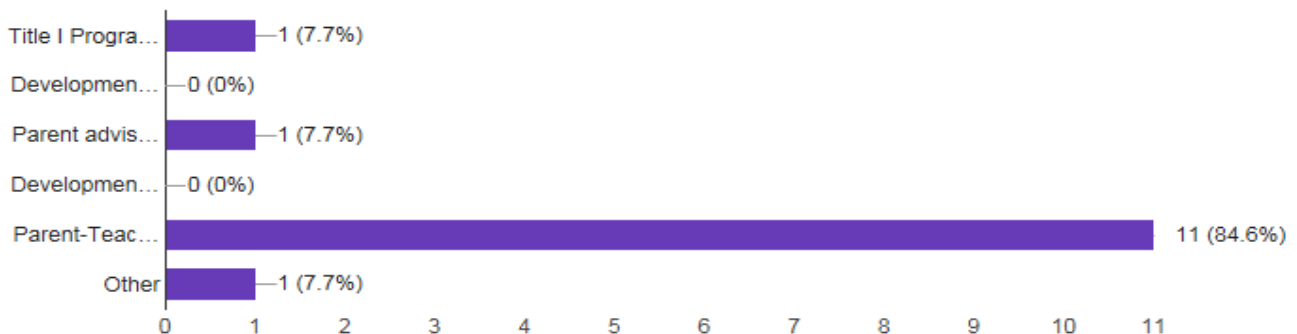

What types of trainings or programs to improve student academic achievement would you most likely participate in if they were offered by the school?

21 responses

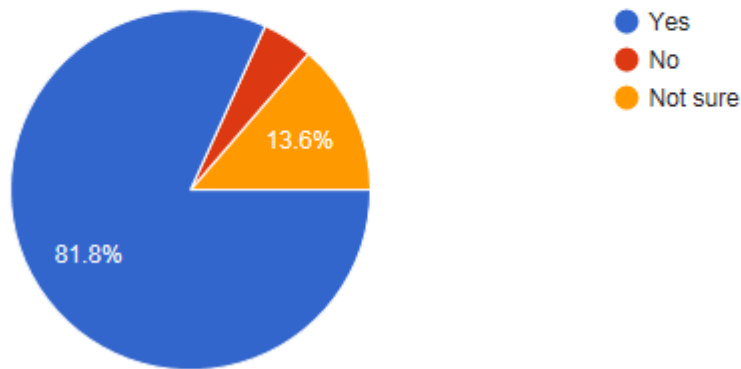

Did you participate in any of the following decision-making opportunities requiring parental input and partnership?

13 responses

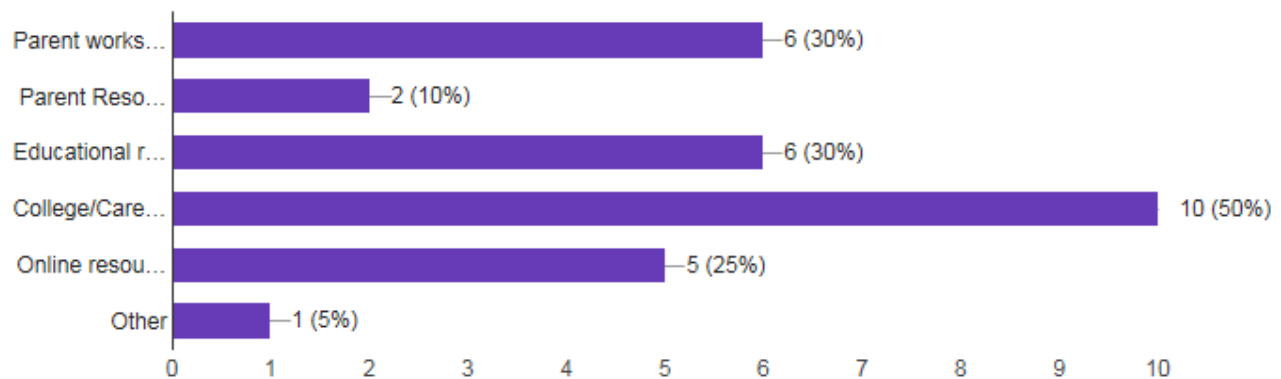

Ashworth offers transitional assistance and/or resources to parents of upcoming middle school students.

22 responses

In what capacity would you like the 1% of Title I Parent Involvement funds used at Ashworth Middle School?

20 responses

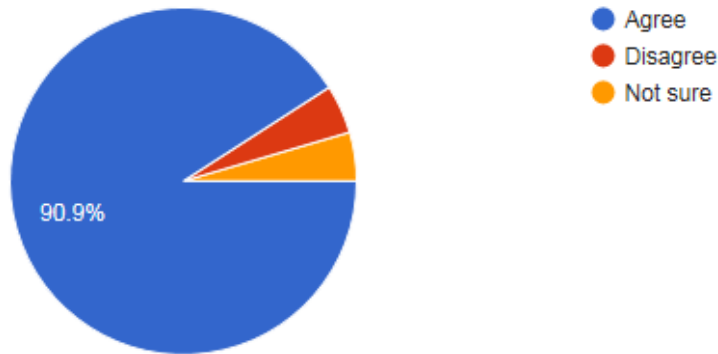

What additional ways can parent engagement be strengthened at your child's school and/or within the district?

1 response

It would be great if the parent engagements could be certain not to coincide with after school activities such as chorus/band concerts, plays, and sports activities. Many times we find we must decide are we going to participate in the parent engagement activity or go to our child's activity that is going on at the same time.

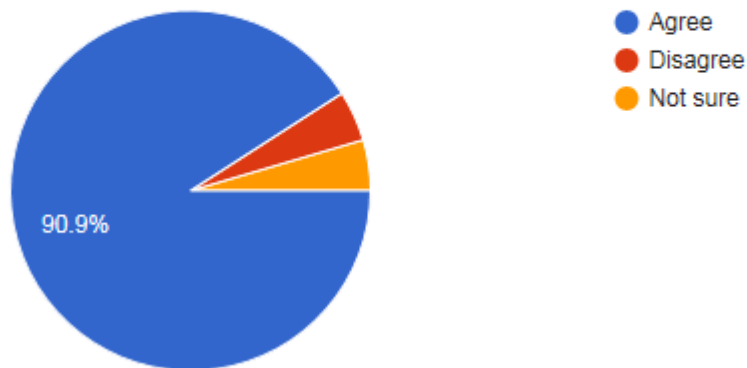

My school/district teachers are effective.

22 responses

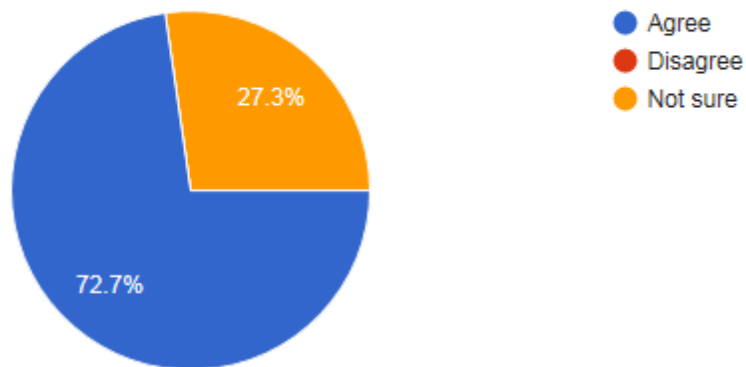

My school/district leaders are effective.

22 responses

My school/district experiences low teacher and school leader turnover.

22 responses

My school/district ensures school personnel are able to effectively connect students to appropriate academic supports and interventions.
