Plan Revised October 9, 2017*

What is Title I?

Belwood Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent and family engagement. All Title I schools must jointly develop with all parents a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Belwood Elementary will provide opportunities to improve parent and family engagement to support student learning. Belwood values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Belwood will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

BES offered multiple opportunities for the parent and family engagement policy to be revised. Input was sought at all PTO meetings/events, a paper copy of the plan was available for review and evaluation in the front office at all times, parent input was sought via multiple parent surveys, and school quarterly newsletters also invited parents to provide input on this policy, as well as the schoolwide plan, our school-parent compact and the parent and family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online contact feature. The plan is posted on our school Web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and in student communication folders to ask parents for their suggestions on the plan and the use of funds for parent and family engagement. Parents can also give feedback during several parent meetings and activities during the school year including PTO events, parent conferences, and Come Learn with me events. Feedback is shared with the District Title I Office.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. BES will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is posted on the school website and is also available in print in the Front Office. Parents can also retrieve a copy of the plan in the Parent Resource Lounge.

2017–18 District Goals

All Gordon County Schools' students will increase academic achievement in Pre-K through 12th grade through the use of data-driven decision-making and instruction that ensures a rigorous, collaborative, engaging learning environment that is both safe and nurturing.

- **Grades 3-5 ELA:** The percent of students scoring proficient and distinguished on the Georgia Milestones Assessment will increase by 5 percent.
- **Grades 3-5 Math:** The percent of students scoring proficient and distinguished on the Georgia Milestones Assessment will increase by 5 percent.

School-Parent Compacts

As part of this plan, BES and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents, the entire school staff, and students will work together to make sure all our students reach the State's high standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the PTO

Parent and Family Engagement

Belwood Elementary believes that parent and family engagement means the participation of parents in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Belwood is committed to helping our parents attend the activities listed in this plan. Please call us at 706/879-5242 if you need assistance in order to participate in our programs or would like more opportunities to meet to improve student achievement.

Belwood Elementary is Branching Out!

BES will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- ✓ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school Web site, and included in school newsletters for all parents.
- ✓ Provide quarterly trainings for staff during their planning periods on strategies to improve communication with parents and ideas to increase family engagement. Staff will also share best practices during regularly scheduled faculty meetings.
- ✓ Share information in English and Spanish on the school website and in the school newsletter for parents to understand the school's academic standards, curriculum, and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, social media, and flyers.
- ✓ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ✓ Use our Partners in Education and PTO to improve awareness of the activities and events listed in the school parent and family engagement policy.
- ✓ Offer literacy and computer classes for parents to help further enhance their various educational levels.
- ✓ Collect feedback from parents regarding the effectiveness of our parent and family engagement efforts at all events, place input card around the building and post suggestion forms on the school website in order to respond to parents' requests for additional support for parent and family engagement activities.
