Region Playoffs (best of 3 series at highest seed)

RD 1 Tues. Sept. 26th DH (if Wed. 27th)

RD 2 Sat. Sept. 30th DH (if Mon. Oct. 2nd)

RD 3 Wed. Oct. 4th DH (if Thurs. 5th)

*Note on Region Playoffs:

1. Region Tournament: best of 3 for each round (higher seed will host all 3 games- 1st game: higher seed is home team - 2nd game: lower seed is home team - If game – coin flip for home team. #5 team on each side will not play.
2. GHSA maxes region tournament games at 8. Should either the championship or consolation series not have enough games to accommodate a best of 3 series, it will become a 1 game determiner. The brackets DO NOT have to do the same thing (one bracket can play best of 3 while the other plays 1 game).
3. Other tiebreakers should same seed match up: Only sub-region games count towards seeding (not crossover games) - Regular season winner of home/home series will host - If regular season is a split, runs allowed between teams, runs scored between teams, region runs allowed, region runs scored, then coin toss. If series is a matchup between opposite sides of the region, but same seeds, winner of regular season game will host.
