

Sonoraville High School

We are a learning community actively pursuing a higher standard of excellence.

Our mission is to educate and empower all students to become caring and contributing citizens in an ever-changing world.

We believe that...

- Teachers are designers and leaders of engaging work.
- Students are volunteers of their time and effort.
- Everyone can learn in a safe, nurturing environment.
- Communication, collaboration, & connection are essential.
- All community members are vital to our success.
