Advisement

WHAT IS IT?

Each student is provided an academic advisor to help him/her throughout the school year. Students will meet with their advisor twice a week in order to build a healthy advisor/advisee relationship, participate in character building activities, and cover important items related to school activities, academic success, attendance, and other pertinent information. There are times students may meet with their advisor during specially scheduled times. It is the role of your advisor to help students learn to build healthy relationships, build character, and be successful throughout high school. As part of this role, he/she will continually monitor your attendance to school as well as your academic performance.

WHAT DO I NEED TO KNOW ABOUT REPORT CARDS?

- Progress reports are issued each 6 weeks.
 - Weekly progress reports may be requested through the counselor's office.
 - Grades may also be accessed on-line from any computer with Internet access. Contact the counselor's office for more information regarding the parent grade portal accessed by internet.
- Official course report cards will be issued at the end of each semester.
- Semester Report Cards will be mailed at the appropriate time.
- Only NUMERICAL grades are issued: 90-100: A 80-89: B 70-79: C
 - There are no "D's" issued. Any score below a 70 is considered "Failing"
- Teachers have an approved grading plan. See the class syllabus for specifics in how your grade is determined – the percentage for each category (test, daily work, etc.) comprising your overall grade.
- Teachers may not issue a report card grade higher than 100.

CAN MY REPORT CARD GRADE BE CHANGED?

Once a grade is finalized in the computer, it can only be changed through the formal procedures of a "Change-of-Grade" form. The teacher who issued the grade or counseling personnel may initiate the process, but in all cases the change of grade must have approval of the principal. Grades are changed if:

- An error has been made in calculating or recording the grade.
- The student has completed, in part or in full, incomplete work, as approved by administration

EXTRA CREDIT

Teachers are not permitted to provide individual students additional opportunities beyond those given to ALL members of the class and as approved at the beginning of the year by the principal. "Extra credit" or bonus work MAY NOT be provided to an individual student unless there are extenuating circumstances. Approval must be granted by the principal for such instances.

END-OF-COURSE TESTS

The A+ Education Reform Act of 2000 mandates that students take End-Of-Course Tests (EOCT) after completing the following courses and will count 20% toward the student's final grade.

AP/HONORS CREDIT

At SHS, each department will establish its criteria for how an incoming freshman can enter their respective honors programs. See the instructional supervisor of each department for more information. There are also requirements for how an upperclassman can begin the program after the freshman year. Please see the instructional supervisor for information about this as well.

IS THERE A MINIMUM GRADE TO RECEIVE HONORS CREDIT?

No honors course has a minimum grade for credit other than passing BUT if a student's average is **below an 80** at the end of a semester, there must be a conference with the student, the parents or guardians, the teacher, and a counselor or administrator if the student wishes to register for the next honors course in the track.

Once a student has left the honors program within the course sequence, they may not reenter unless they complete any required work from the missed honors class that was not completed in the non-honors level class. *If a student has an average below 80 at the end of the semester, he/she will be removed from the Honors track*

WHAT ARE THE BENEFITS OF TAKING HONORS COURSES?

A few of the benefits of taking such courses include, but are not limited to:

- 1) If a student successfully completes a minimum of 8 honors/pre-AP/AP courses and has an overall GPA of 90 or higher in core classes, he/she will be designated as "Graduates with Highest Honor" at graduation.
Only those who complete these requirements are eligible to be named Valedictorian or Salutatorian.
- 2) Colleges many times rank students in terms of admission based on the number of honors courses taken in high school compared to the amount offered.
- 3) Research has proven that taking such courses better prepares students to be more successful in college.

POSTSECONDARY OPPORTUNITIES:

WHAT IS DUAL ENROLLMENT?

Dual enrollment is a program designed to allow a student, who qualifies, an opportunity to attend college while continuing high school enrollment and receiving both high school and postsecondary credit. Interested students should contact their counselor or career transition specialist.

WHAT IS JOINT ENROLLMENT?

Joint enrollment allows high school students to attend college after regular school hours. Successful completion of these courses earns postsecondary credit only.

EXEMPTION

WHAT IS THE EXEMPTION POLICY?

Exemption of Final Exams is a privilege that may be earned by meeting the following criteria:

Both Semesters for Underclassmen/1st Semester for Seniors	2nd Semester for Seniors
<ul style="list-style-type: none">• 80 or higher average in the class• 3 or fewer absences in the class• No ISS or OSS• No unclear obligations	<ul style="list-style-type: none">• 70 or higher average in the class• 4 or fewer absences in the class• No ISS or OSS• No unclear obligations

WHAT COUNTS AS AN ABSENCE IN TERMS OF EXEMPTION?

- An accumulation of 3 unexcused tardies &/or early dismissals will constitute a day of absence as it relates to exemptions (not perfect attendance).
- Any student who misses 30 minutes or more of a class will be counted absent for the block.
- No difference is made between “excused” or “unexcused” absences in terms of determining exemption status. All absences, regardless of the reason, are counted.

GRADE RECOVERY

Students can be offered the chance to redo/retake a **formal assessment** on which they failed to meet a passing standard. Each department will have their own guidelines for the procedure to do this but the following will be consistent between the departments:

- There is a 10 school day window that begins as soon as the original grade is known. The student must declare their intent to retake and actually complete the recovery during this window.
- The maximum grade that can be earned is a 70.
- ***No grade recovery will occur during the last 2 weeks of a semester.***
- **Grade recovery opportunities will not be granted for assignments missed during unexcused absences or failure to complete assignments due to a student sleeping, refusing to do the assignment originally, or as a result of inappropriate behavior.**

CREDIT RECOVERY

Once a student has failed a course, they have an opportunity to recover the credit through the SHS Twilight School or during summer school. The Twilight School meets for 3 weeks in the Fall and/or in the Spring on dates to be announced. During this time students will work on earning the failed credit using the NovaNet on-line courses. The following are the guidelines for the SHS Twilight School:

- The cost is \$100 per credit. This must be paid before beginning work & is non-refundable.
- A student may work on only one credit at a time but can earn as many credits as possible during the 3 weeks of the school.
- **There is a limit of 4 credits per student for their academic high school career.**
- A student is expected to attend every day of the Twilight School until the credit(s) have been earned. On the third absence the student will be withdrawn with no refund.
- The Twilight School hours will be from 3:30 to 5:00 Monday through Thursday.
- Students should be in the room by 3:45. If no students are in the room by 3:45, the teacher will close the door and each student will receive an absence.
- Students have to have earned at least a **55** on the original grade to qualify.
- There must be at least 9 students enrolled in the Twilight School for it to be offered. For this reason, Twilight School may not be available each semester.

We encourage students to take advantage of the Twilight School because the cost for Summer School will be substantially more.

HOW MANY CREDITS MUST I HAVE TO ADVANCE TO EACH GRADE LEVEL?

To 10th grade: **6** total units
units

To 11th grade: **12** cumulative units

To 12th grade: **20** cumulative

GRADUATION REQUIREMENTS

Class of 2017

Specific courses are required to be completed in each core area in order to fulfill unit requirements. These classes will be identified through advisement and registration. The class of 2012 and beyond currently must meet the minimum requirement of **26 units** and students must have passed the required courses for each area.

<ul style="list-style-type: none">• 4 units of English/Language Arts• 4 units of Mathematics• 4 units of Science• 4 units of Social Studies• 1 unit of Health/PE• 3 units of Career/Tech/Agriculture, Fine Arts, or Foreign Language• 6 elective units	<p><u>Highest Honors:</u> 90+ core GPA; course requirements met; minimum 8 courses designated Pre-AP/Honors, Advanced Placement (AP), or Post-Secondary Options</p> <p><u>Distinction:</u> 80-89 cumulative GPA; 26 unit requirements met;</p> <p>*Gold & Silver Programs: Specific information for how to receive these distinguishing cords at graduation will be provided through advisement & registration</p>
--	---

* Foreign Language study for at least 2 years in the same language is recommended for students who plan to enter college. Many Georgia colleges are recommending a minimum of three years of a foreign language study for unconditional acceptance.

WHO ARE THE VALEDICTORIAN AND SALUTATORIAN AT GRADUATION?

The student who has met the requirements to be a “Graduate with Highest Honors” and who has the **HIGHEST** cumulative numerical grade point average (GPA) after the first term of the senior year will be recognized as **Valedictorian** of the graduating class and the student with the **SECOND** highest cumulative GPA will be recognized as **Salutatorian**. In addition, the valedictorian and salutatorian must be enrolled, as full time students, at Sonorville High School for the four consecutive semesters leading into the middle of his/her senior year.

WHO MAY PARTICIPATE IN THE GRADUATION CEREMONY?

Students permitted to participate in SHS Graduation ceremonies:

- 1) Those who have met all state and local course and unit requirements
- 2) Students who are clear of all financial obligations to the school
- 3) Those not removed from the ceremony for disruptive or inappropriate behavior.
- 4) Those who attend graduation practice or who have previously approved excused absence.
- 5) Those dress according to the guidelines set and presented multiple times to the senior class.

Students receive a high school diploma if they have met the course requirements AND state testing requirements.

ATTENDANCE INFORMATION

SHS maintains the philosophy that there is a direct and positive correlation between regular school attendance and good student performance. Students who attend regularly make higher grades, enjoy school more, are more employable, and do better after graduation than those who have poor attendance. Conversely, students who have poor attendance generally have a tendency toward failure. Under block scheduling, attendance becomes even more critical with the fact that missing one day’s absence is equivalent to missing two days under the traditional schedule.

WHAT ABSENCES ARE CONSIDERED EXCUSED?

In keeping with the regulations set forth in State Board Policy JDB (Rev. 7/83), students shall be temporarily excused from school **ONLY** for the following reasons:

1. When personally ill to extent that school attendance would endanger the student's health or health of others;
2. When there is a serious illness or death in the immediate family (Biological parents, Grandparents, Siblings, or others that live in the household), which would reasonably necessitate absence
3. On special and recognized religious holidays observed by the student's faith, upon written verification by the church leader to the principal of the local school prior to the religious holiday;
4. When mandated by order of the governmental agencies, i.e.; pre-induction physical examination for service in the armed forces, court order, detention by law enforcement officials;
5. When prevented from attendance due to conditions rendering school attendance impossible or hazardous to the student's health or safety;
6. When a student registers to vote (not to exceed one day);
7. When a student is at least 12 years of age and is serving as a page in the Georgia General Assembly
8. When a military parent is being deployed to or is on leave from a combat zone, the student may be excused for a total of 5 days to visit with that parent. (O.C.G.A 20-2-133)

For an absence to be considered excused, the student must bring a written statement from his/her parent or guardian (or other documentation) stating the reason for the absence. The written statement will be kept on file by school officials. **ALL OTHER ABSENCES SHALL BE CONSIDERED UNEXCUSED.**

WHAT DO I DO IF I HAVE BEEN ABSENT?

All students must report to school with an excuse note when he/she returns to school. This needs to be given to the first block teacher.

If you are in foster care and must attend court proceedings, you are not considered absent. You must notify your teachers and the Student Services office as soon as possible.

WHEN ARE DOCTOR'S NOTES REQUIRED FOR ABSENCES?

After 7 cumulative absences (excused or unexcused) or 5 unexcused absences, justification for absences shall be documented via a valid medical excuse bearing the date of the absence(s) and specifically stating that such absence was medically necessary. The school attendance officer, social worker, or designee has the authority to waive this requirement on a case-by-case basis. Each parent, guardian, and student shall be informed of this provision at the beginning of each school year or upon enrollment. (Board Policy JBD).

At the discretion of the principal, assistant principal or attendance officer, a student who is absent for three or more consecutive days due to personal illness or serious illness in the immediate family, may be required to present a physician's statement, a statement from the Gordon County Health Department, or a statement from the school social worker of the Gordon County Schools in order for the absences to be excused. A period of three days excused absence due to death in the immediate family shall be considered maximum, without administrative approval.

For the purposes of considering whether absences for death or serious illness in the immediate family should be excused or unexcused, "Immediate Family" shall be interpreted to mean: father, mother, sister, brother, child, spouse, grandparents, legal guardian, or other relative living in the residence of the student. Other absences due to death/serious illness require administrative approval to be excused.

In compliance with compulsory attendance laws and in order to protect the interests of the student and the parents, as well as those of the school, any student who acquires as many as eight (8) absences in a term may be referred to juvenile court. Principals or assistant principals may also refer, at their discretion, any student whose absences they deem excessive or suspect as to reason at any time.

Individual students who have emergencies necessitating their absence from school for a portion of the school day must have been present for one-half of the instructional day in order to be included in the average daily attendance count. When there is cause necessitating an individual student to be excused from school for a portion of the school day, the student shall be released from school only to his or her parent(s), legal guardians, or to other persons properly identified and authorized by the parents through written or verbal notification and verification by school officials.

HOW MANY DAYS CAN I MISS DUE TO “STUDENT ACTIVITY (SA)”?

Student Activity absences are approved through the attendance office and are handled on an individual basis, in compliance with local school board policy. If you have any questions, please contact an administrator. Administration reserves the right to deny the request for an “SA” based on attendance, discipline, and/or grades.

WHAT IF I NEED TO CHECK-OUT OF SCHOOL EARLY?

For the safety of our students, and so that we can make sure that school records regarding attendance are as accurate as possible, only under the following conditions will a student be allowed to “check-out” of school early:

- 1) A parent/guardian or someone on the record’s list may personally come into the building & sign out the child
- 2) If the student is physically ill or hurt, the school will contact the guardian before the student is released.
- 3) A parent/guardian may submit a signed **WRITTEN** request to the office indicating the date and time that the early dismissal is necessary as well as the reason for the request. The guardian name and telephone number must also be on the request so that verification may occur. This must occur before 10am.

The note may be submitted by the parent, student, fax, or email: dwhite@gcbe.org for **grades 10-12** or bhenson@gcbe.org for **grades 8-9**. The FAX number for 10-12 is 706-879-5165. The FAX number for 8-9 is 706-879-5122.

If a student is checked-out early to go to the doctor or dentist, a note from the physician should be presented to the office when the student returns to school. If a note is NOT presented, the absence will be marked unexcused.

Students are not allowed to leave campus for any reason without checking out.

*NOTE: Students delivered to school by car or by bus are not allowed to leave campus either by foot or other means of transportation even though the instructional day has not begun. Students violating this rule will be cited for leaving campus without permission. See section on truancy/skipping class.

FOR THE SAFETY OF OUR STUDENTS, A STUDENT MAY ONLY BE CHECKED-OUT IF A FAX, EMAIL, OR HANDWRITTEN NOTE IS RECEIVED. Phone check-outs will only be allowed under dire circumstances and must have administrative approval. Please understand that the care & well-being of SHS students is priority.

Leaving school and missing classes is just as detrimental to your grade as being absent.

WHAT DO I DO IF I ARRIVE TO SCHOOL AFTER THE 8:30am BELL?

If a student arrives afterfore 8:30 am, he/she should report to Student Services to receive a tardy slip.

CAN I MAKE-UP WORK WHENEVER I AM ABSENT FROM A CLASS?

Yes, but there is a time limit of 3 school days following the **EXCUSED** absence to complete make-up work OR to make arrangements with the teacher for an extension of time. Long periods for make-up work are granted only in the event of prolonged illness or extenuating circumstance. In such cases, definite deadlines must be established. You are not allowed to make-up missing work assigned weeks beforehand. In some instances, it may be necessary for the student to come before school or stay after school to complete missing assignments.

IT IS THE STUDENT’S RESPONSIBILITY TO HAVE A DISCUSSION WITH THE TEACHER REGARDING MAKE-UP WORK. Speak to your teacher about the assignments missed before school, during homeroom, during lunch, between classes, or after school. Do not interrupt the lesson asking for make-up work.

Long-range assignments due on the dates of an excused absence shall be due immediately upon the student’s return. In the case of a pre-arranged absence, the student must complete and turn in all work prior to the planned absence(s) unless otherwise arranged with the teacher(s). (Field trips are included in pre-arranged absences.)

Any incomplete work at the end of the semester must be submitted to the teacher within 14 calendar days following the final day of the semester. Incompletes are given on report cards only with administrative approval. You will most likely receive a zero for the assignments and, once made-up, your teacher can submit a grade change form.

According to board policy, *with the exception of benchmark exams*, **STUDENTS MAY NOT BE GIVEN THE OPPORTUNITY TO MAKE-UP ANY ASSIGNMENT FOR AN ABSENCE THAT IS UNEXCUSED**. This includes out-of-school suspension. Only if an administrator determines the absence to be “justified unexcused” can make-up work be given. Students who are “**truant**” may not make-up any assignment.

WHAT DO I DO IF I NEED TO WITHDRAW FROM SCHOOL?

If it becomes necessary to withdraw from SHS, the student must contact the counseling office. An exit interview will also be conducted by the graduation coach. Unclear obligations must be fulfilled and the proper paperwork completed before a student’s records will be sent to another school.

CAN I HANG-OUT IN THE BUILDING OR ON CAMPUS AFTER SCHOOL?

Students at school after 3:40 must be under the direct supervision of a teacher/coach in waiting areas as designated by the administration, a teacher, or a coach. ALL OTHER AREAS ARE OFF-LIMITS. At 4:00 p.m., all students not under the direct supervision of a teacher/coach must leave the building and are expected to leave campus. Students violating this rule are subject to disciplinary consequences, which may include being assigned to ride a bus.

CAFETERIA INFORMATION

CAN I LEAVE CAMPUS FOR LUNCH? No.

HOW MUCH DO MEALS AT SHS COST?

Regular Lunch \$2.20
Reduced Lunch \$.40
Regular Breakfast \$1.00

WHAT DO I NEED TO DO IF I NEED TO APPLY TO RECEIVE FREE AND/OR REDUCED MEALS?

Free meals are available to all who complete necessary forms and qualify; forms are available from cafeteria personnel or the main office. Students who qualify for free lunches automatically qualify for free breakfast. Students who qualified for free meals last year will be approved for one week while the new application is being processed. Be sure to complete the necessary paperwork and return it to your homeroom teacher or cafeteria staff.

WHAT IS THE PAYMENT PROCEDURE FOR THE CAFETERIA?

Students must give their school ID number to activate the computer to each individual’s account. We encourage students to pay in advance by the week, month, or longer to speed up the lines at the computer cash register.

CAN I CHARGE MY MEALS?

There is no charging of meals in Gordon County Schools.

CAN I BRING IN NON-CAFETERIA FOOD TO EAT?

Students may bring lunches made at home (sandwiches, frozen, pre-packaged, left-overs, etc.) but should not have lunch brought or delivered from a restaurant, unless permission is granted by an administrator. Drinks may not be brought to school in glass bottles. If outside food is brought in, it must be in plain wrappers or coverings that do not include the name of the restaurant. **This is a Federal regulation.**

Cafeteria Meals should be FINISHED in the commons area/cafeteria and all silverware/trays should be returned to the kitchen area.

Being allowed to have food in the school is a privilege. Students are expected to help keep the school clean, attractive, and pleasant. It is a privilege to sit in the outside picnic area and the commons area. Disruptive behavior or failure to keep the areas clean will result in the privilege being revoked.

COMMUNITY SERVICE

Recognizing and honoring volunteers sets a standard for service to others. It encourages a sustained commitment to civic participation and inspires others to make volunteering a central part of their lives. SHS is committed to bettering our community through volunteer service and honoring those who put forth the effort to do so. SHS students may accrue volunteer hours that may qualify for the President's Volunteer Service Award, an award issued by the President's Council on Service and Civic Participation on behalf of the President of the United States. It is designed to recognize the best in American spirit in and to encourage all Americans to improve their communities through volunteer service and civic participation.

To earn this annual award, students must keep a record of volunteer activities served. Students must record their volunteer hours on the SHS Community Service Volunteer Activity form, and a signature of a person where the activity is performed must be obtained. These records will be kept by the SHS graduation coach. As an alternative, students may choose to track their own volunteer hours online at www.presidentialserviceawards.gov.

You will need to register by clicking on "Track Your Hours" and begin a Record of Service. The Record of Service Key for you to register SHS as your certifying organization is JRT-21028.

The accrued hours may continue to accumulate even after you have graduated from high school. In order to qualify for federal monies, volunteer work should be secular in nature. Fund-raising work for any organization does not qualify; however, actual participation in setting up events or physically being in an event (as long as you are not personally asking for money) is allowed.

Required annual hours for the President's Volunteer Service Award are as follows:

Bronze: 10-174 hours Silver: 175-249 hours Gold: 250+ hours Lifetime: 4000 hrs +5

Upon graduation, award recipients receive:

- An official President's Volunteer Service Award lapel pin
- A personalized certificate of achievement
- A congratulatory letter from the President of the United States
- A letter from the President's Council on Service and Civic Participation
- Special recognition at the Senior Award Ceremony

For more information regarding this award, please see the graduation coach, Mr. Vaughn.

HOW CAN I BE A BIG BROTHERS BIG SISTERS OF NWGA VOLUNTEER?

SHS Juniors and Seniors are eligible to volunteer through the Big Brothers Big Sisters of NWGA. This service may be done before, during, or after school depending on the match agreement.

For matches made during school, the service may only be completed during an elective course, must have prior written teacher approval, and may not exceed once per week. Students who wish to volunteer must complete an enrollment information form and go through a screening process.

Students needing to leave campus to complete their volunteer service will sign out and back in through the regular procedure with the front office of SHS.

Being allowed to volunteer with BBBS is considered a privilege, and any student who abuses this privilege will immediately have their service terminated. For more information, see the graduation coach, Mr. Vaughn, or someone in the counselor's office.

TRANSPORTATION INFORMATION

BUSES

The Gordon County School Transportation Department makes available school bus service for students enrolled in Gordon County Schools who reside in the school district of the school they are attending. School transportation is provided in conformance with pupil transportation policies and procedures established by the State Board of Education and the Gordon County Board of Education. School transportation is a privilege and to maintain this privilege, a student must abide by established bus conduct rules. A pupil's transportation privilege may be suspended or revoked if conduct creates a disruption or safety hazard on the school bus. The principal or his/her designee handles all disciplinary action taken for misconduct on the school bus.

WHO IS ALLOWED TO RIDE THE BUS?

Only authorized personnel are allowed aboard a school bus. Authorized personnel include the driver, transportation department employees, pupils, approved school system personnel, chaperones, and law enforcement officers.

WHAT IF I NEED TO RIDE A BUS THAT IS NOT MY REGULARLY ASSIGNED BUS?

A parent/guardian must send a **SIGNED note** to the school. **The note should be taken to the office in the morning so that a bus slip can be provided before the end of the day. No student will be allowed to board the bus without this office slip. Only the principal may make exceptions.** Drivers have been instructed not to allow you to board without the required slip.

A bus slip is needed : 1) if a student does not ride the bus on a regular basis (3 or more days each week) 2) if the student needs to ride the bus to a different stop 3) if a student is riding home with a friend

The school **WILL NOT ACCEPT PHONE CALLS** to change transportation arrangements. This is a safety precaution for each student. Only in emergencies will administration approve a request to change by phone.

Bus Conduct Rules

1. Students should always conduct themselves in an orderly manner and obey all bus safety rules.
2. All students are under the jurisdiction of the driver while aboard each bus.
3. The driver is responsible for seating arrangements on each bus.
4. Students will remain seated while the bus is in motion.
5. Students must refrain from loud talking, horseplay, throwing objects on or from the bus, or doing anything that will detract from the driver's attention.

Written requests from the parent will be filed with the principal if it becomes necessary for a student to depart a bus other than at his/her regular stop. The principal will authorize the driver to make such a stop. Exceptions may be if a safety hazard is involved.
12. Buses are provided for transporting students: therefore, large objects such as boxes, recreation equipment, large band instruments, etc., should not be on a bus.

A student's right to ride a bus can be temporarily or permanently revoked for any serious act of misconduct or for continuing minor offenses. **Punishable offenses may occur on the bus or at the bus stop (location of drop-off & pick-up).**

Removal from Bus

The school administrator or system bus discipline administrator has authority to remove a student from the bus for misconduct or reasons that endanger the safety of students. In such occasions the student will be afforded due process in compliance with the Goss v Lopez standards, and parent(s) will be notified.

PERSONAL VEHICLES

Students may choose to provide their own transportation to and from school. Parents/guardians who drop off or pick up students must do so in designated areas only. Students who hold a valid driver's license may park in designated lots on school properties by purchasing a parking permit from school officials. While efforts will be made to ensure parking lot security, Gordon County Schools and Sonoraville High School will accept no responsibility for damage which may occur to vehicles parked on school premises.

HOW DO I GET A PARKING PERMIT?

Parking permits cost **\$25** for the entire school year and **\$15** for second semester. After the initial sale during registration, these may be purchased from the Student Services office. All students seeking a permit must sign the car agreeing on the designated traffic regulations. All vehicles must have the permit appropriately displayed at all times. Students who have unclear obligations to the school will not be allowed to purchase a permit unless the obligation has been met.

Important Notice: Violation of any safety regulation and/or traffic regulation is sufficient cause for revocation of the privilege of parking on campus or adjoining school board property.

PARKING/DRIVING REGULATIONS:

1. Parking permits must be displayed in the designated area on any vehicle driven by a student. Failure to display the permit properly or to park properly (including wrong space) is sufficient cause for towing the car.

3. Students are not allowed to go to their vehicle during the school day without administrative approval.
4. Students park at their own risk. Neither the school nor the school system assumes responsibility for damage to your vehicle or lost or stolen items while parked on the campus of SHS. The cost of the permit is used for maintenance and does not provide the student liability for damage.
5. All accidents must be reported to the administration and/or to the police as applicable.
6. If you purchase a different vehicle or drive a different vehicle, a new registration card must be filed. All information must be kept current.
7. Permits may not be borrowed or sold. Parking permits are non-transferable and a student withdrawing relinquishes all rights to the permit back to the school.

9. The speed limit is 15 MPH. In the parking lots, very slow speed and extreme caution are expected. See the Code of Conduct for additional information.

It is the expectation of the administration and staff that field trip participants will behave in a dignified, well-behaved manner, reflective of the high standards set by SHS. In the event that a student must be disciplined for any reason while on a field trip, he/she will jeopardize his/her opportunity to participate in future trips.

Students who fail to check in or check out with the attendance office will be considered to be skipping class. Additionally, if a student is excused from a class for some reason (restroom break or other errand) but is gone for a time considered excessive, the student can be considered skipping. Also, if a student is found to be somewhere in/out of the school without proper permission, the student will be considered skipping

School Based Health Clinic

SHS has the services of a full-time registered public health nurse stationed on our campus. The Gordon County Board of Education, in collaboration with the local public health agency and/or other healthcare providers, makes a school health program available to all students enrolled in the Gordon County School System. It is the central goal of the school health program to provide health services to students at school as part of the student services team. Through direct services to students and consultative services to students, parents, school staff, and community resources, medical barriers to student success are to be addressed.

The following is a list of services available:

- 1. Education and Counseling – Available on request – including health and wellness, nutrition, contraception, STD, pregnancy safety, adolescent development
- 2. General First-Aid Care – Assessment and treatment of injuries incurred during the day with referrals if indicated. Assessment of students who become ill during the school day with appropriate referrals made if indicated.
- 3. Individual screening available upon request including blood pressure, hearing, vision, blood sugar, pregnancy, TB and immunizations.
- 4. Prenatal education and care for pregnant students, WIC certification and nutrition education
- 5. Assistance available to students with special needs including referrals to Mental Health, DFACS (Medicaid), Social Services, and follow-up on these referrals.

Parents must give their permission before a student can be seen by the school nurse for most services, but student confidentiality is always protected. This is handled by the parent completing the "clinic card" annually.

DISCIPLINE & CODE OF CONDUCT

STUDENT CONDUCT

SCHOOL AUTHORITIES RESERVE THE RIGHT AND RESPONSIBILITY TO DISCIPLINE STUDENTS FOR ANY BEHAVIOR WHICH IS SUBVERSIVE TO GOOD ORDER IN THE SCHOOL, EVEN IF SUCH BEHAVIOR IS NOT SPECIFIED IN THIS HANDBOOK.

The Board of Education provides each student with a system calendar of events that includes general rules, regulations, expectations and possible consequences for misconduct. The student handbook is an additional supplement that provides general information and establishes student expectations. A third document, known as the Handbook for Administering School Discipline – Code of Conduct, will be given to students at the discretion of the assistant principal in charge of discipline or when requested by a parent or student. This document provides, in detail, a definition of school and school related disciplinary offenses. Additionally, it offers explanations as to how determinations are made as to guilt or innocence, involvement and non-involvement. A copy of this document may be given to a student upon his or her referral for disciplinary action.

In cases of extremely disruptive or dangerous behavior, persons, or groups involved may be suspended and ejected from the school campus without the necessity of prior hearing. In such instances, however, each pupil shall be afforded the right to a due process hearing at the earliest possible opportunity. Acts of conduct that are in violation of law shall be reported to the proper legal authorities. **A student 17 years or older may be questioned by law enforcement without parent permission.**

Under the U.S. Supreme Court ruling in *New Jersey v T.L.O.*, a school has the right to search a student and his/her possessions as justified by reasonable suspicion. This includes the search of clothes, billfolds, pockets, pocket books, and anything else that the student has in his or her possession, including the locker assigned to him or her, any locker they use, or anywhere at the school he or she may store items. It also includes any vehicle that the student rides in or drives to school and those parked on the school campus or entering the campus to provide transportation for a student. If a student refuses to cooperate in a search by a school employee, the student and his or her possessions will be turned over to local law enforcement officials. It is imperative that students understand that the safety and well being of each student at Sonorville High School is paramount. Our ability to protect students is guarded by our ability to search for items that may be harmful to students or against the law as noted in the Official Code of Georgia Annotated or under United States laws.

DISCIPLINE REFERRAL ENTRY

The referring teacher or the administrator will complete a discipline referral on a student when it becomes necessary to involve an administrator in disciplinary action.

DUE PROCESS

The Supreme Court of the United States has ruled that a student has a right to a public education under the provisions of the Fourteenth Amendment and State laws. However, a student can be deprived of the right to a public education provided he/she is given substantive and procedural due process. Before a student is removed from school or any of its components at SHS, the student will be given the process due under the guidelines of the law.

However, students' due process in deprivation of up to ten days or other minor deprivations only require the following:

1. That the student be given oral or written charges and if he denies them,
2. He must be given an explanation of the evidence against him and
3. Finally, he must be given a chance to tell his side of the story.

Basically the process is to ensure fundamental fairness. The Court has never established that students have a right to participate in extracurricular activities; however, we at SHS will assume that students do, if otherwise eligible, and will not remove a student long term or permanently from these activities without the minimal steps outlined above.

DISCIPLINARY OFFENSES

Major disciplinary offenses, including, but not limited to, drug and weapon offenses, can lead to schools being named as an “Unsafe School” according to the provisions of State Board of “Education Rule 160-4-8-16 Unsafe School Choice Option.

In addition to the Gordon County Code of Conduct (see Gordon County handbook) the following are specific acts of misbehavior that will result in disciplinary action at SHS:

Academic Misconduct/Cheating

Students who cheat on examinations or other work subject to grading will be given a ZERO for the assignment and will be subject to other disciplinary action.
