

Sonoraville High School Student Parking Agreement

1. To park in the designated student parking, a student must display a current parking permit.
2. No student may give/sell another student his/her parking permit.
3. In accordance with Gordon County School System Board Policy, all vehicles on the Sonoraville High School campus are subject to search.
4. When student arrives on campus, they must park their vehicle and immediately enter the building.
5. Violation of motor vehicle safety regulations will result in consequences. Violations include, but are not limited to, loitering, parking out of assigned space, not displaying decal, and all moving violations. Consequences will include suspension of driving privileges from short term (5 days) to long term (semester or year). **Failure to comply to consequences may result in towing of vehicle.**
- 6. If you are parked in the band practice area you must move your car by 3:30.**
7. The issuing of this parking permit is contingent upon the signing of the Gordon county Policy IDF paperwork which states that students who have parking privileges on school property are subject to random drug testing. If this paperwork is not signed by the parent, this agreement is voided and the money will be refunded.

By signing below, I agree to follow the rules, regulations, and policies in this agreement and in the Gordon County Board of Education Policy. I understand the consequences listed will be enforced as they are stated.
