## STUDY ISLAND OLYMPICS

PLEASE BE SURE THAT YOUR  
CHILD IS WORKING ON STUDY  
ISLAND!!

## Social Studies/Science

Social Studies: Cold War

Science: Physical Science-Electricity  
and Magnetism

Homework due on Friday.

## Reading

Please remind your child to read every  
night. They have at least 2 books they are  
reading. All students should also be writing  
about their reading in their journals. These  
are checked periodically for grades. Reading  
logs should be completed daily, these are  
checked periodically for Dojo Points.

We are almost finished with our unit on  
arguments. Your kids are becoming experts  
on chocolate milk and if it should be allowed  
in schools or not.

All students should be working to earn  
blue ribbons on the reading skills. I am  
checking for them weekly.
