What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents, teachers, principals and students will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- ✓ Link to goals of the school improvement plan
- ✓ Focus on student learning skills
- ✓ Describe how teachers will help students develop those skills using high-quality instruction
- ✓ Share strategies parents can use at home
- ✓ Explain how teachers and parents will communicate about student progress
- ✓ Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff at Tolbert Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents were asked to provide their input, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs. Parents were provided opportunities to learn more about the compact through an online School-Parent Compact Training Module and an online feedback form.

Parents are welcome to contribute comments at any time.

Volunteers Welcome! If you would like to volunteer, participate, and/or observe in the classroom, please contact our Family Engagement Specialist, Sherri Hill, at 706-879-5242 or email her at shill@gcbe.org.
