Upon completion of the visit, the visitor must return to the main office and sign out. Students may not bring friends to school for visits to classrooms.

## 2. Lockers

Lockers are the property of the school and are subject to inspection and search by school officials. Because students are responsible for the contents of their lockers, they should not allow other students to have access to their lockers. No decals or stickers may be placed on lockers. Abuse of lockers will result in disciplinary action and payment for damages.

**Students enrolled in P.E. classes must bring a personal lock or rent a lock from the PE Department to secure their valuables in the gym.** Items that are not secured properly are the students responsibility.

## 3. Textbooks

Textbooks are checked out to students. When books are returned at the end of the semester, students must return all books currently issued to them or pay for their replacement. All textbook fines must be cleared prior to participating in Homecoming, Prom, or Graduation Ceremonies.

## 4. Campus Hours

Students are not permitted on campus prior to 6:45 am and must leave campus by 2:30 pm unless they are participating in a supervised extracurricular activity. Students must be picked up no later than 30 minutes after an extracurricular activity ends. Unsupervised students will be required to report to the theater steps after 2:30 pm..

## 5. Electronic Devices

If a student brings an electronic device to school, this device must be turned off and put away while in class. **Please be aware that students bring these items at their own risk.**

## 6. Authorized Material at School

Selling, posting, and distributing materials such as flyers, letters, election posters, advertisements, lists, religious and non-religious events, etc., must be approved and signed by the principal or her designee.

## 7. Lost and Found

## 10. Messages, Delivery of Non-School Items, Food and Beverages

Messages cannot be delivered to students except in the case of emergency. **Food, flowers, balloons and other non-school items will not be delivered to students during the school day.** Students who check into school during the day are not permitted to deliver such items to other students.

## 11. Parking

The privilege of driving to school and parking on the school premises is extended only to students "in good standing" (see "Student in Good Standing" policy and section on tardies under **Discipline**). Under certain types of disciplinary actions, students may forfeit their rights to drive a vehicle to school and may have their parking permit revoked.

Students choosing to drive to school must purchase a non-transferable parking permit costing \$60.00 per year. Seniors, work-study students, juniors in peer leading, and yearbook staff will be given first priority. Students will be given an adhesive parking sticker which must be permanently attached to the window and visible to school personnel. Students who park without authorization are subject to having their vehicles booted or towed away at owner's expense.

## 13. Central Gwinnett High School Perfect 10s Initiative

## INSTRUCTION

### 1. Grading System

A.....	90 - 100 .....	Excellent
B.....	80 - 89 .....	Above Average
C.....	74 - 79 .....	Satisfactory
D.....	70 - 73 .....	Needs Improvement
F.....	0 - 69 .....	Unsatisfactory/Failing

### 2. Semester Syllabus

All students will review and sign off on the course syllabus via eClass from every teacher at the beginning of the semester. The course syllabus outlines a plan of study that includes all of the AKS objectives for the subject. The following information will be included on the course syllabus:

- a. Course title and description
- b. Materials
- c. Units to be studied
- d. General objectives for the course
- e. Special assignments/projects
- f. Grading procedures

### 3. Incomplete Grade

Incompletes will not be given. If a student has missed an assignment due to an absence, a grade of zero will be entered until the student makes up the work within five (5) days. All pre-assigned work for a class will be due on the day a student returns to that particular class after an absence or according to arrangements made with that teacher. ***It is the student's responsibility to request missed assignments.***

### 4. Progress Reports

Progress reports/report cards in all eight subjects are sent to parents at the end of the sixth and twelfth weeks of school each semester. These progress reports provide notification to parents of the progress their student is making toward the final semester grade given at the end of the eighteen weeks. Teacher/parent conferences can be initiated at any time by teachers or parents.

### 5. Senior Reports

Prior to the beginning of the second semester of the senior year, counselors will send senior letters notifying parents of the student's progress toward graduation. In addition, parents of seniors will be notified again at least twelve weeks before graduation regarding unsatisfactory work. If a senior begins to fail at any point after the sixth week, the teacher will notify the parents.

### 6. Schedule Changes

Students have three days after a semester begins to request a schedule change. Legitimate reasons for dropping/adding within the three-day period include:

- a. The student has already passed the course.
- b. The student needs another course to meet graduation requirements.

Since all students are required to take eight classes, any class dropped must be replaced with another class. Schedule changes are contingent on available space in the class the student wishes to add. ■

### 7. Final Exams

Final exams may not be taken early. In emergency situations, exams may be taken late with the approval of the administration. A grade of zero will be entered until the final is made up.

### 8. Senior Exemption Policy (Second Semester Only)

- Must have no more than three (3) absences second semester
- Three (3) tardies is equal to one (1) absence (college visits and school activities do not count)
- Must not have any ISS or OSS this semester
- Must have 90 or better in class this semester
- Non-Seniors in AP courses must take their final exams. But due to the nature of the AP test schedule and curriculum, students in AP course may take their exams early.
  - Seniors may not exempt a District Assessment Final

### 9. Credits for Home or Private School Work

In accordance with the Southern Association of Schools Standard 3.4.9, Gwinnett County Public Schools will validate competency, by course, before awarding Gwinnett County Public School credit for work completed at a home school or private school that is not accredited by the Southern Association of Colleges and Schools (SACS) or its equivalent. Examples: Middle States Association, North Central Association, New England Association, etc.

Students entering a Gwinnett County Public High School from a non-accredited private school will be required to validate competency through testing or through scholarship performance in specified trailer

courses. Students entering from a home school will be required to earn credit through testing.

If you attend or plan to attend a non-SACS accredited school or a home school, please check with the counseling department for this documentation.

### 10. Notification of Gifted Education Programs

Gifted education in the Gwinnett County Public Schools is a part of the system's Center for Educational Programs. The procedures for identifying and placing students in the gifted program are set by the State. Referrals to the gifted program may come from teachers, parents, or as the result of system-wide testing scores. A school's gifted eligibility team reviews referrals at the beginning, middle, and end of the school year to determine which students will be evaluated. A student may be referred once during high school. The evaluation includes the student's mental aptitude, achievement, creativity, and motivation. Private evaluations and testing may not be substituted for test data generated by the local school.

### 11. Parent Portal

Gwinnett County Public Schools' Parent Portal offers parents and guardians timely, and secure access to their child's grades, attendance, disciplinary and testing history online. The Parent Portal is an easy-to-use communication tool that will allow you to take an even more active role in your child's education.

Registration forms are available from the Student Support Center and the Parent Center. You must return the form in person to allow the school to verify your identity.

### 12. Non-Gwinnett County Classes and Georgia Milestones Assessments

In the state of Georgia, some academic classes require an Georgia Milestones. If your child is taking one of these academic classes outside of Gwinnett County Public Schools, he/she must take a Georgia Milestone before s/he can receive credit for the non-GCPS class. The Georgia Milestone is given for the second semester course of the following classes: Algebra I, Geometry, Freshman Language Arts, Junior Language Arts, Biology, Physical Science, US History and Economics (a one semester course). Students taking one of the above classes in a non-Gwinnett County Public School need to contact their counselor to schedule a time to take the Georgia Milestone.

Seniors who are taking a non-GCPS course need to submit a transcript with the final grade for the course **at least two weeks** before the anticipated graduation date. The last series of Georgia Milestones are given in early May so students should plan accordingly.

### 13. Grade Appeal Process

All concerns regarding finalized semester grades must be made in writing to the curriculum assistant principal during the calendar school year in which the classes were taken.

## **ATTENDANCE POLICIES AND PROCEDURES**

### **1. Residency**

Any address change must be reported to the counseling office. Proof of residency must be provided. Accepted residency forms are:

Utility bill

Lease agreement

Mortgage statement

Home/Land purchase agreement

Notarized residency affidavit

These forms must include the name of parent or legal guardian and an in-district address.

### **2. Absences**

Within three days of an absence from school, the student must bring a signed note from a parent, guardian, doctor, or governmental agency stating the reason for the absence(s). The note is to be given to

the clerk in the 700 hall office prior to 7:10 a.m. If the student does not bring a note, the absence will be considered unexcused. Work may not be made up for unexcused absences. **On the 10<sup>th</sup> unexcused absence, State law requires schools to report the student to the State Department of Motor Vehicles to suspend the student's driver's license.** The absence will be classified "Excused" only if it is covered by one of the following areas as defined by Georgia law:

- a. Student illness
- b. Death or serious illness in the immediate family
- c. Recognized religious holidays
- d. Orders of a governmental agency (armed forces examination, court appearances, etc.)
- e. Service as a page in the Georgia General Assembly
- f. Conditions rendering school attendance impossible or hazardous to student's safety or health

The above six criteria for excusing absences apply to all-day absences, tardies to school, and check-outs from school.

### 3. Pre-Arranged Student Absences

Out-of-town trips are not excused unless covered by the six criteria listed in Item 2. However, a student may make arrangements with teachers in advance of a trip so that work to be missed can be done before the student leaves. A special form that is used for notification of teachers and the attendance clerk is available in the 700 hall office. A student may be approved to miss up to five (5) school days for a pre-arranged absence. All pre-arranged absences will count toward the ten days absent limitation per class, per semester.

The parent should notify the school in writing, indicating the days to be missed, at least three (3) school days prior to the date(s) to be missed.

### 4. Tardies to School

Any student arriving at school after 7:10 am should report immediately to sign in at the 700 hall Kiosk. The student should **present a signed note** from a parent, guardian, doctor, or government agency explaining the tardiness. Late arrival will be labeled "excused" or "unexcused".

After ten (10) excused tardies/absences from school, a doctor's note will be required for future tardies/absences to be excused. A parent conference with an administrator is required in order to consider any departure from this requirement. Absences from classes due to tardies will be included in the 10 day limit as explained under Absences above.

- Note that tardiness to school is excused for the same reasons as absences as described in the section labeled "Absences" in this handbook. **Car trouble, oversleeping, failure of an alarm clock, etc., are not excusable reasons for being tardy to school or class.** When students elect to rely on their own transportation to school rather than the bus, they assume the responsibility for arriving to school on time.

Students will be considered AWOL if they are 5 or more minutes late to class.

### 5. Tardies to Class

Students are considered tardy to class if they are not inside the room at the conclusion of the tardy bell. Check-ins before 7:15 will be regarded as tardy to class. Plasco is our school's tracking system for attendance and dress code violations. Each teacher will enter their students' tardy into the Plasco system using the student workstation or laptop. The consequences for each tardy is as follows:

Tardies 1-6-Warnings

Tardy 7: Lunch Detention #1 in Room 203

Tardies 8 and 9: Warnings

Tardy 10: Lunch Detention #2 in Room 203

Tardies 11 and 12: Warnings

Tardy 13: Lunch Detention #3 in Room 203

Tardy 14: Final Warning

Tardy 15: Administrative Referral

\*\*\*Students who do not receive a tardy for 3 consecutive days, one consequence will be removed (roll-back).

- Students will be placed on an attendance contract and will receive a minimum of ISS for each tardy. Students may receive additional consequences at administrator's discretion.
- Parking is a privilege that can be revoked or suspended as a result of excessive tardies or AWOL's. Homecoming, prom, and other privileges may also be revoked as a result.

## 6. Skipping class or school (AWOL)

- AWOL's involving leaving and returning to campus will result in out of school suspension and a search of your personal belongings/vehicle.
- Students will be considered AWOL from class if they are 10 or more minutes late.
- Consequences for AWOL can range from administrative detention to a disciplinary hearing.

## 7. Checking Out of School

Any student needing to leave the campus during the school day must check at the attendance kiosk in the 700 hall. Contact with a parent or guardian will be required before a student is released. Students leaving without officially checking out are considered truant and in violation of the discipline code.

- a. If a student has a note from a parent requesting permission to leave school, the student should take the note to the attendance kiosk before 7:10 a.m. Each excuse note must include the parent's home /cell and work phone number for check-out verification. Students will report back to the attendance kiosk at the end of the designated class period to officially check out.
- b. Parents may check students out at the attendance kiosk located in the 700 building near the main parking lot. Parents are encouraged to call beforehand when possible.
- c. Students leaving school during the day due to illness or accident must follow the check-out procedures. Clinic cards must be on file in the 700 hall office to verify emergency contact information.
- d. Only parents or guardians may give permission for students to be released from school. No students may be released prior to contact with the parent.
- e. Students may not be checked out after 1:50 pm.

## 8. Make-Up Work, Request for Short-term Assignments, Homebound Instruction

After returning from an excused absence, students have five days to make up work missed. The two-day rule does not apply to long-standing due dates on assignments such as term papers. Due dates for long-term assignments will be adhered to unless prior arrangements are made with the teacher. It is the student's responsibility to request missed work from his or her teacher. If the work is not completed, the student receives a reduced grade for incomplete work and/or a zero for make-up work not turned in. A suspended student must make up the work that the teachers determine will have an impact on the student's final grade and mastery of the course content. Assignments that the teacher does not require to be made up will not count toward a student's final grade.

If a student is expected to be absent a minimum of three days, he/she may request (through the counseling office) make up work. Teachers must be given twenty-four hours' notice for preparation of the assignments. The counseling secretary will receive the request for assignments from the parent or guardian, notify the teachers of the request, and receive assignments to be picked up by a designated individual. It is the student's responsibility to return the completed assignments to the teacher. **Any student absent more than ten days (3 tardies equal 1 absence) will not receive credit for the class.**

If a student is expected to be absent two or more weeks because of an accident or illness, s/he may request instruction through the homebound program. The request form, which must be signed by a doctor, can be obtained from the Counseling Office. The request will be reviewed, and the student will be assigned to work with a homebound teacher who will coordinate assignments with the classroom teachers.

## 9. Maxwell and Grayson High School of Technology Attendance

Central students who attend classes at Maxwell High School of Technology (MHST) shall also adhere to that school's policies and rules (see MHST Handbook). Bus transportation is provided between Central and Maxwell, and it is the student's responsibility to be on time for bus departures. Students who miss the bus to Maxwell will be assigned to a study hall at Central and receive an unexcused absence for their vocational classes.

#### **10. Certificates of Attendance:**

Students must have a current certificate of attendance to get a learner's permit or a driver's license. The Attendance Office will provide notarized certificates for \$2.00 to qualifying students.

## **COUNSELING SERVICES**

Students who need to visit with a counselor may stop by the counseling office before and after school, during breaks, and at lunchtime to make an appointment with their counselor. Students should not report to the counselor's office during class time without a hall pass. Counselors provide a variety of services to our students and parents.

### **1. Academic/Personal Counseling**

Counselors are available to assist students with academic and personal counseling. To see an 11th or 12th grade counselor, stop by the counseling office and make an appointment. To see a 9th or 10th grade counselor, stop by the 9th grade administrative office on the 3rd floor and request an appointment.

### **2. Classroom Guidance**

Classroom guidance activities concentrate on academic achievement, planning for high school and beyond, goal-setting, college and career options and testing information.

The four-year plan is a working copy of future course choices. A copy is sent home with the student for parents to see.
- b. Tenth Grade: Students complete a career assessment tool to assist them in exploring career options and interests.
- c. Eleventh Grade: Students are given resources and discussions are held to encourage students to plan for the senior year and beyond.

Resources are given related to researching colleges, the college application process, places to search for scholarships as well as points to ponder in making the "next-step" decisions.

[www.GACollege411.org](http://www.GACollege411.org) is an internet tool that is used to help students with college exploration, application and career planning.

### **3. Parent-Teacher Conferences**

To arrange a conference with one teacher, parents may contact that teacher directly either through their email address or by calling the main office. To arrange a parent-teacher conference involved several teachers, parents may call the counseling secretary or their child's counselor for assistance. Meetings involving several teachers must be scheduled after school (or possibly before school). All conferences must be prearranged.

### **4. Small Group Counseling**

Group counseling is one of the best ways to serve a large number of students. Groups often meet one period per week. Students involved are responsible for making up missed class work. Parental permission is always required for small group counseling.

### **5. Resources**

- a. Parent/Student information programs for each grade level will be announced in the Knightly Notes Newsletter.
- b. Financial Aid Night is held in the winter to provide parents and students information on the financial aid process as well as HOPE and other scholarship resources.
- c. An informational meeting for student who may want to attend college while in high school is held in late winter.

You must have a job for a work permit to be verified. Work permits are a **24 hour turn-around**.

All students are expected to conduct themselves in such a manner as to meet the highest standards of CGHS and GCPS at all times.

The Code of Conduct is designed to establish high expectations and standards for all participating students. All students, parents, coaches, and sponsors understand that the top priority is academic achievement. The Code of Conduct establishes high expectations regarding behavior and consistent consequences when violations occur. The consequences listed on the GCPS Athletic Code of Conduct are minimum standards as the CGHS Code of Conduct goes above those standards in many areas.

## **SCHOOL TRADITIONS**

### **ALMA MATER**

Central High, How we love you  
May skies ever be blue above you  
And in the years to be,  
You'll live in our memories  
Alma Mater, kind and true  
All through the joys of our school days,  
You've been our guide and friend,  
And though we wander far,  
No matter where we are,  
Central High, We'll still love you.

### **Fight Song**

Go, Central, Go. Time to Begin.  
Fight, Central, Fight.  
We know you got the spirit that can win  
So on, Central, on. Right through that line.  
To victory, to victory, and that's the way it's gonna be.  
So fight, Black Knights, fight.
