GCPS' Parent Portal:

The go-to source for Gwinnett parents

- In today's information age, a wide variety of information is available at your fingertips.
- The go2 Portal is a secure connection to GCPS information for your child.
- You are able to access key school information, safely, and securely, anytime from anyplace... all you need is a computer with Internet access and a user ID and password.
- In a nutshell, the Parent Portal is an easy-to-use communication tool that will allow you to take an even more active role in your child's education.

What information can you access about your student through the go2 Portal?

- Attendance
- Grades
- Course History
- Test History
- Schedules

Unemployment

BLS determines the unemployment rate by interviewing about 60,000 households in 2,000 counties in all 50 states. This survey is called the current population survey. BLS divides each household into one of 3 categories.

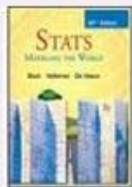

Employed: People who worked as paid employees, worked in their own business, or worked as unpaid workers in a family member's business.

Unemployed: People available for work who made specific effort to find
